

Office 365 is now available to students and faculty/staff, free of charge! This includes one (1) free terabyte of storage as well as access to both Desktop and Tablet versions of Office 2016. Read below to find out how you can begin taking advantage of this program immediately.

Navigate to the following link:
<http://www.office.com/student>

The screenshot shows the Office 365 Education website for students. At the top, there is a navigation bar with the Office logo and links for 'For home', 'For business', 'Templates', 'Store', 'Support', 'My account', and 'Sign in'. The main header features the Office 365 logo and the text 'Office in education' with the tagline 'Inspire, engage, collaborate, and work wonders in and out of the classroom with Office 365.' Below this is a navigation menu with three options: 'Students' (highlighted in orange), 'Teachers', and 'Schools'. The main content area is titled 'Get Office free from your school' and explains that Office 365 Education for Students is available for free to students at qualifying schools. It includes a green button labeled 'Find out if you're eligible' and a link to 'www.office.com/getOffice365'. To the right, there is an image of various devices displaying the Office 365 interface. At the bottom, a dark grey bar contains the text 'Other Office options are available if you're not eligible. Learn more' followed by a right-pointing arrow icon.

Students Teachers Schools

Get Office free from your school

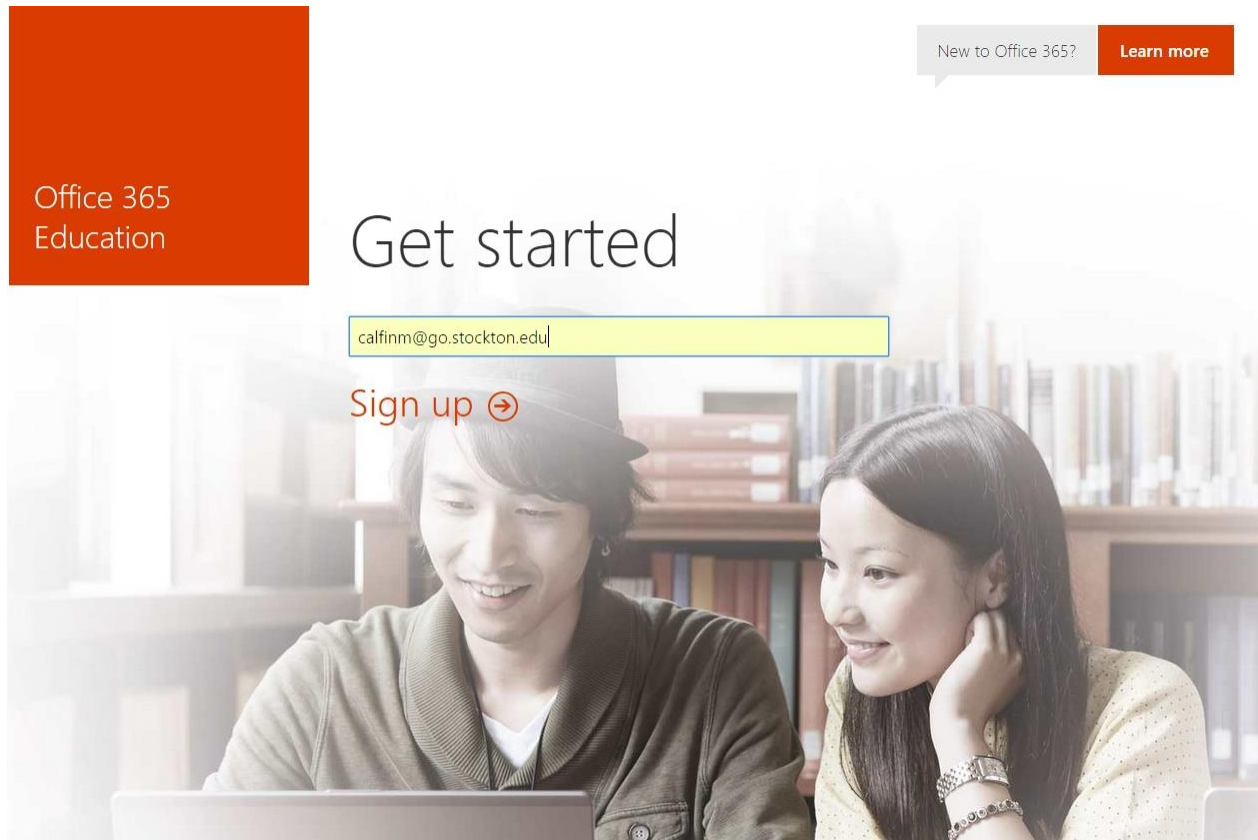

Office 365 Education for Students is available for free to students who are enrolled at qualifying schools. Install Office on up to 5 PCs or Macs and on other mobile devices, including Windows tablets and iPad®.

Find out if you're eligible

If you're eligible, so are your classmates. Have them sign up at www.office.com/getOffice365.

Other Office options are available if you're not eligible. Learn more →

Click the button to find out if you're eligible, then fill in your email address on the next page.

Note: This must be your student @go.stockton.edu email address. Personal email addresses will not work.

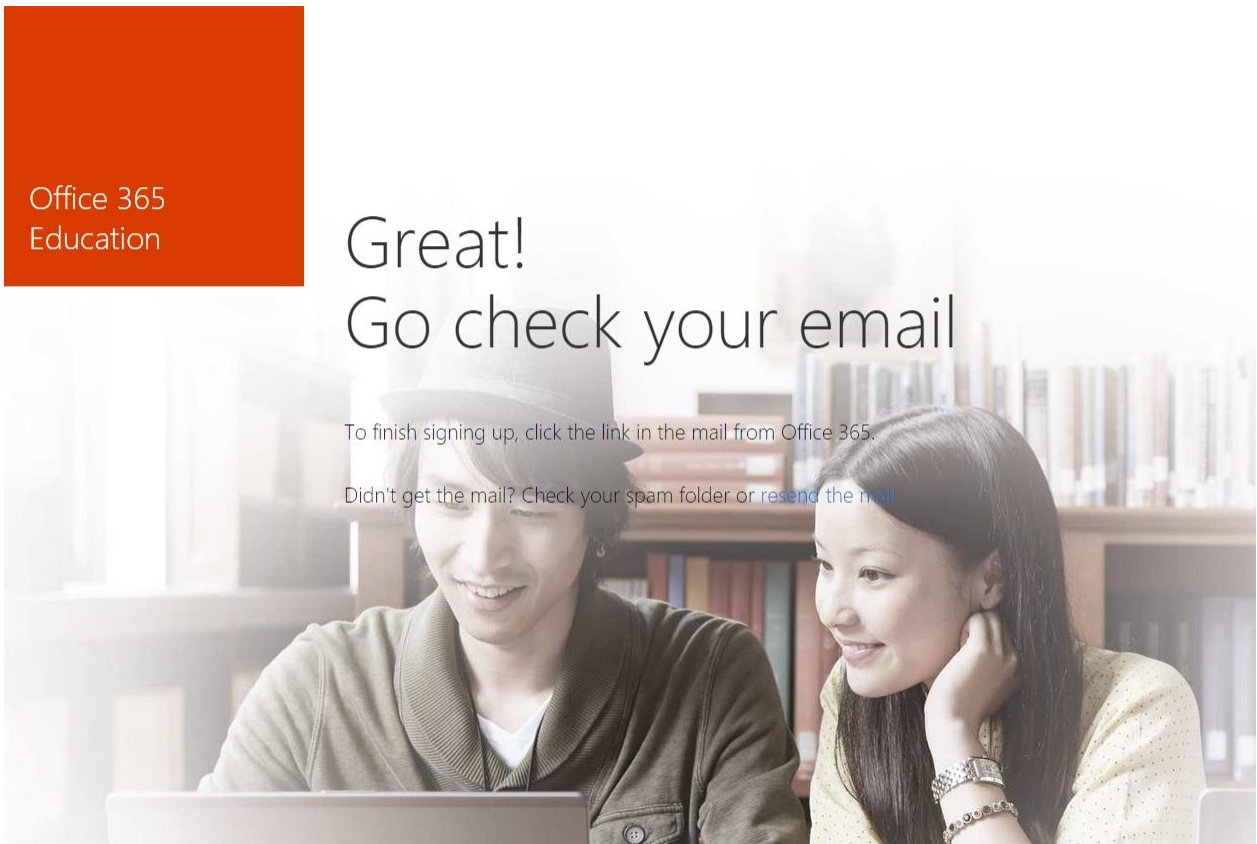

If everything goes smoothly, you will be prompted to check your email. If for some reason this page claims you are ineligible, you may have already signed up. Navigate to <http://login.microsoftonline.com> to attempt to login or reset your password. If you continue to have issues with the sign up process, contact computer services at x4309

Note: The password you create here will be unique to your new Office 365 account and will not be associated with your goPortal or Stockton email password. If you forget this password, you will need to reset it through Microsoft at <https://login.microsoftonline.com> by clicking “Can’t access your account?” below the sign in prompt.

Give it a few minutes to finish creating your account. Once completed, it will redirect you to a login page where you can sign in to download your office applications.

The image shows the Office 365 login interface. On the left, a grid of blue buttons with the word 'Connect' in various languages (Lączyć, Connecte, 连接, Ligue, Connect, تواصل, Verbinden, つなぐ, Yhdistä, povezati, להתחבר) is overlaid on a background image of a highway. On the right, the Office 365 logo is displayed above the text 'Sign in with your organizational account'. Below this, the email address 'calfinm@go.stockton.edu' is shown next to a person icon. A password input field is present, followed by a checkbox for 'Keep me signed in'. There are 'Sign in' and 'Cancel' buttons. At the bottom, there are links for 'Can't access your account?' and 'Forget this account'.

Once signed in, click the “Install Now” button to begin your Office 2016 desktop applications download.

Note: These applications can be installed on up to five (5) computers, both Mac and PC. You can also use this account to sign in to Office on up to five (5) Tablet and Phone devices to receive premium features as well as seamless access to your shared OneDrive!
