DON'T BE CAUGHT BY SURPRISE.

Identify theft can happen to anyone and the damage it causes can take years to undo. This workshop will teach participants about the most common scams and how to protect their identity, money, and credit history.

Participants will learn how to:

• Identify common scams
• Safeguard their personal information
• Monitor their credit report for signs of possible identity theft
• Take action if they believe they are the victims of identity theft

This 60 minute educational program begins at 2:00pm and is presented by Money Management International, a non-profit credit counseling organization.

Complimentary Luncheon donated by Woodview Estates begins at 1:00pm.
