Time to Create Art  

Let’s Draw & Paint

Learn to draw, gain confidence & have fun sharing ideas & techniques.

Guided by Tom Sandor’s experience and expertise, you will learn to draw what you “see”, at your own pace, developing powers of observation and defining individual style. With emphasis on self-discovery and skill development, the class will focus on building and refining basic skills, exploring a broad range of drawing materials and sharing ideas and techniques. A fee of $5.00 per session will be collected by the instructor. You must purchase and bring your own materials. No experience necessary, however those with a sample of previous work, are encouraged to bring it to the class.

Material List:

a) 1 General’s Essential Tools Drawing Kit will get you started. Instructor will advise if something additional is needed.

b) 2 drawing pads – one 11 x 14" white paper (not newsprint), 1 smaller, up to 8.5 x 11"(white drawing paper or something nicer, like Super Deluxe, Stonehenge or Swarthmore).
