If you have graduated from high school and are currently in your first semester of college, you are still considered a freshman but must file the **TRANSFER APPLICATION**.

### Readmit Applicants

A non-matriculated student may take courses for credit at Stockton, but is not enrolled in nor working toward a degree. Non-matriculated students may register for up to eight (8) credits per semester on a space available basis. Non-matriculated students must apply for admission (matriculation) prior to earning 24 credits. Non-matriculated Stockton students applying for admission must submit a progress report for each course in which they are currently enrolled. (Progress report forms available in the Office of Enrollment Management.)

### International Applicants

Stockton's flexible curriculum allows for preparation for professional careers such as medicine, dentistry, veterinary, physical therapy, occupational therapy, engineering, law and pharmacy while pursuing a traditional major. If you are interested in these professions, check the appropriate option at the end of the list of academic majors.

### Financial Aid

Applicants wishing to be considered for need-based financial aid must submit the Free Application for Federal Financial Aid (FAFSA) by March 1 for the fall term, and by August 15 for the spring term. The FAFSA must be completed and filed electronically via the Internet at **[www.fafsa.ed.gov](http://www.fafsa.ed.gov)**. Stockton's federal school code is **009345**.

### Scholarships

Stockton offers a generous range of merit-based scholarship awards. No separate application is required for new-student scholarships. All students offered admission are considered for first time student scholarships. The Scholarship Committee selects award recipients based on their academic record. See Stockton's website for scholarship details.

### Educational Opportunity Fund Program (EOF)

EOF is a special admissions program for students who meet certain financial and academic requirements. Applicants to the EOF program must be seeking full time admission, have been a resident of New Jersey for at least 12 months prior to entering Stockton, come from an educationally and economically disadvantaged background, and ineligible for admission by traditional Stockton admissions standards. Students receive extensive counseling, tutorial and other support services to ensure success at Stockton.

**Transfer applicants** receiving EOF assistance at their current college may "transfer" the EOF grant to Stockton. If you are applying as a transfer EOF student, please contact the EOF Office at 609-652-4647 with your plans to transfer and enroll at Stockton.

### Health Requirements
