DUAL DEGREE ACCELERATED MEDICAL PROGRAMS
For High School Seniors
*(incoming first time freshman students)*

---

**Rutgers School of Medicine (formerly UMDNJ) - 7-year BS/MD**

- To be considered for admission to this program, the applicant must be a high school senior in the top 10% of their graduating class and have been accepted to Stockton College.
- Must have completed 4 years of English, 3 years of Science, 3 years of Mathematics prior to enrolling at Stockton.
- SAT scores should be a minimum 700 each in Critical Reading and Mathematics sections—from one testing (scores from different tests cannot be combined). ACT may not be substituted.
- An interview with representatives from both Stockton College and Rutgers School of Medicine will be required.
- Students accepted to the program must maintain a minimum 3.0 GPA at Stockton and must have a minimum grade of B in each of the courses required for entrance into Rutgers School of Medicine. Grades of B- are not acceptable.
- Required courses in which grades of B- or less are received cannot be repeated to earn a higher grade in order to remain in the program.
- The academic record of each student will be reviewed at the end of each semester while enrolled at Stockton. Students failing to maintain the required overall 3.0 GPA and/or earn grades of less than B in each required course will be dropped from the Dual Degree Program. They will be allowed, if appropriate grades are maintained, to continue at Stockton.
- Each student must meet with their preceptor for a preliminary “grad audit” which will take place during the student’s next to last semester at Stockton.
- Students must successfully complete all pre-Rutgers School of Medicine courses at Stockton prior to transfer.
- The MCAT must be taken prior to matriculation to Rutgers School of Medicine.
- Bachelor of Science in Biology from Stockton awarded after successful completion of the first year at Rutgers School of Medicine.

---

**Rowan School of Osteopathic Medicine (formerly UMDNJ) - 7-year BS/DO**

- To be considered for admission to this program, the applicant must be a high school senior with a superior GPA and class standing, and have been accepted to Stockton College.
- Must have completed 4 years of English, 3 years of Science, 3 years of Mathematics prior to enrolling at Stockton.
- SAT scores should be at least 620 each in Critical Reading and Mathematics sections—from one testing (scores from different tests cannot be combined).
- An interview with representatives from both Stockton College and Rowan SOM will be required.
- Students accepted to the program must maintain a minimum 3.25 GPA at Stockton and must have a minimum grade of B in each of the courses required for entrance into Rowan SOM. Grades of B- are not acceptable.
