Stockton’s Food Drive
Our Campus Plan

On the third Thursday of every month between 9:00 am and 2:00 pm, food donations can be brought to our collection site in Campus Center Room 3. If you need food to be picked up, call the Service-Learning Office at 652-4256 to arrange for a morning pickup time. The food is collected and packaged for same-day delivery to Stockton’s Campus Kitchen at Atlantic City, families in need, Stockton students, and agencies such as the Family Service Association.

Collecting food from the Stockton community is a natural extension of the college's mission to serve. This program receives food donations from faculty and staff and has Stockton students pick up and sort the food. Please refer to the list below of food items needed.**

The Campus Kitchen at Atlantic City is affiliated with the national The Campus Kitchens Project and is a collaboration among Stockton, the Atlantic City Board of Education, and Sodexo Foods. The Mission is to use service as a tool to Strengthen Bodies by using existing resources to fight hunger and meet nutritional needs in our community; Empower Minds by providing leadership and service learning opportunities to students, and educational benefits to adults, seniors, children and families in need; and Build Communities by fostering a new generation of community-minded adults through resourceful and mutually beneficial partnerships among students, social service agencies, businesses and schools. As a multi-community partner model, each partner’s role is critical to the success of the overall program.
