

## SECURITY ALERT

Remember to Log out

Logout

The goStockton Portal provides you with access to confidential information from the College's information system. It is **CRITICAL** that you **LOG OUT** when you finish your goStockton session. Leaving your computer unattended during a live session (see inactivity time below) could enable another person to access your personal information.

After a period of inactivity the system is set to automatically log out:

- Students after 2 hours
- Employees after 4 hours
- Faculty after 2 hours

**REMEMBER: LOG OUT** when you finish your goStockton session.
