Wool Needle Felting: Christmas Ornaments

**Saturday, Dec. 5, 2015 from 10:30 a.m. to 12:30 p.m.**

\$20 materials fee collected by the Noyes Museum at registration.

Using wool from Giberson's sheep farm, each participant will create an angel and a personalized ball to hang on their Christmas tree and enjoy for years to come.

Giberson has been teaching basket-making and felting for many years. The wool used in her felting projects is sheared from the sheep that live on the [Swan Bay Folk Art Center & Farm](#), a place where people can go to learn skills from days gone by in order to create pieces of their own history.

For 25 years, Giberson and her husband, Gary, have run the art center out of their home, on land that has been in Gary's family since 1637.

Advanced registration is required by calling the Noyes Museum at 609-652-8848. Visit the SCOSA website at [www.stockton.edu/scosa](http://www.stockton.edu/scosa) for more information, updates and cancellation procedures.
