Thank you for agreeing to advise a student applicant on his or her fellowship project. Please complete this form to assist the Selection Committee in their evaluation of this project.

Student’s Name: ____________________________

Title of Proposal: ____________________________

Project Development Process (check all that apply):

☐ I met with the student to advise him/her on developing the project.

☐ I reviewed the final draft of the project and concur with its submission.

☐ The student’s project is of interest to the student and/or has a relevance to the student’s program of study but is not required by the program of study (e.g. class, report or thesis project).

☐ I believe the student has the skill/ability to complete this project.

☐ It is reasonable for the student to complete the project in the funding period established.

☐ The project budget is sufficiently detailed and reasonable for the nature of the project.

☐ The overall presentation of the written proposal is concise, well-written, and understandable.

☐ My additional comments in support of the student’s project can be found in the required letter of recommendation.
