

**THE MILLER ANALOGIES
COMPUTER-BASED TEST
@The Richard Stockton College of NJ**

**Test Center: J-204
Test Supervisor: Cora Perone**

**Test Dates for 2009:
Sept 21 ♦ Oct 19 ♦ Nov 2 ♦ Nov 16 ♦ Dec. 14 ♦**

REGISTRATION

- Contact Cora Perone, Test Supervisor, by calling 609-652-4650 or stopping in the test center office, J-204 to have your name put on a list for a test date.
- On the test date, arrive at the test center a few minutes before your appointment time. The test center supervisor will collect your registration fee and demographic information for registration purposes. **Please be sure to bring valid identification documents.**
- Once you have verified your ticket information as correct, a copy will be printed containing your test activation ID.
- You can then go to a computer and begin testing.

TEST FEE

- **\$75.00 cash (bring exact amount please), certified check, or money order only**

TIME ALLOWED

- You have one hour to complete the test.

SCORE REPORT

- At the end of the test, test takers can view the preliminary score and the proctor can print a Preliminary Score Report. The official personal Score Report will be mailed by Harcourt Assessment, Inc. within 10 – 15 days after the test.
