### DELEGATE SELECTION:

-Should MSW single delegate vote be counted twice? Decision: Try to get more members to attend meetings via Google Hangout, if not Rona's vote will be counted twice because MSW club *has* made an effort to attend GSC meetings

-Communications Disorders are not allowed to have a graduate program club per licensure laws-Sarah Duffy is delegate

-E-board should be separate from delegates

**PENNY WARS:** -fundraising idea for book scholarships

-Need suggestions for what faculty to be candidate to dress up as Osprey, what should outcome be for winner?

-Who will the two faculty members paired against each other be? Suggestions: Beverly Vaughn, Yitzhack Sharon

### WHAT IS A PENNY WAR???

People put in pennies to gain points for the candidate they wish to dress up as an osprey (or other embarrassing act GSC decides on i.e. having to wear funny costume all day and take pictures) Bigger coins/bills decrease the value of pennies in the jar, so can sabotage other candidates penny jar by adding quarters, dollars, etc.

**KEYNOTE/INSPIRATIONAL SPEAKER:** No suggestions were provided.

### Additional Discussion Topics/Questions:

(Elisa, DPT, 4:48 pm) “Are we allowed to do fundraising (Chipotle fundraiser) as a graduate club (DPT) for a conference trip and still get funding from GSC?” Maria Spade-yes, you are allowed to fundraise separately but **MUST** report funds raised from Chipotle DPT club fundraiser

(Jocelyn, DPT, 4:50pm) – “Are forms available online?” Dianne Stalling & Maria Spade – Yes

(Mary Kate, DPT, 5:23pm) “If I’m presenting at a conference and requesting Graduate Fellowship funding (b/c presenting research) do I need to submit a separate budget request?” Needs to know what GSC will cover so can submit to Graduate Fellowship - Fellowship application due December

Answer: Once we vote on the 17<sup>th</sup> and give DPT overall budget can then delineate w/DPT club president to determine how much \$ of the DPT GSC budget is set aside to be Mary Kate’s to go towards conference fees
