LEVEL II FIELDWORK MID-TERM FEEDBACK FORM

This form should be utilized as a companion document to the AOTA Fieldwork Evaluation for mid-term review. The form is to be completed by the student and discussed with the fieldwork instructor prior to the students’ mid-term review. It is hoped that this document will assist the student in identifying personal strengths and areas of growth, as well as facilitating discussion between the fieldwork instructor and student regarding student status at mid-term. As with the mid-term review, it is not necessary to return this form to the Coordinator of Student Clinical and Professional Development. If student or instructor notes concerns on the review, then those concerns should be shared with the Coordinator.
