
Graduate Student Council Meeting Minutes

Monday, 10.17.2016

Attendees:

Maria Spade: Adaptive Technology Specialist, GSC Advisor

AmyBeth Glass: Director of Graduate Enrollment Management

Leah Henderson: Graduate Enrollment Services Specialist

AMST: Alyssa Jaconski, Alexa Cabrita

DPT: Horace Leung, Elisa Lee, Mary-Kate Geisinger, Amy Higgins

EDD/OLA: Daniel Tome

MACJ: Stacie Hill, Joshua Martin

MAHG: Adrienne Parvin, Ashlee Ciccone, Donald Scheer

MSOT: Drew Bishop, Selena Sacchetti, Jemila Worley, Carla-Marie Mercun

The finance committee (consisting of voting members for the GSC) met to review and recommend a budget for each club that submitted an annual budget.

Action Items:

1. Total Budget Pool: \$11,789.00, Total Budgets Requested: \$56,591.00

-Since the budget requests totaled \$56,591.00 and we have \$11,789.00 available, all groups need to revise their budgets and prioritize requests. Things to consider: how many proposed attendees of conferences are presenting? Can funding be sourced from elsewhere?

-GSC will still be deciding collectively on how much each program gets but requests must be reduced significantly.

-30 minutes given to revise requests during meeting

-AmyBeth Glass & Leah Henderson overlooking budgets to be revised for programs who submitted budget requests but do not have a delegate present

2. Original vs. Revised Requests (for the 8 graduate clubs who submitted rosters):

Graduate Program Club:	Original Budget Request:	Revised Budget Request:
AMST	\$245.00	\$180.00
DPT	\$19,295.00	\$3,388.00
EDD/OLA	\$1,250.00	\$550.00
MACJ	\$15,642.00	\$1,982.09
MAHG	\$2,827.00	\$1,909.00
MSOT	\$7,183.00	\$1,906.00
MSCD	\$5,149.00	\$1,075.00
MSW	\$5,000.00	\$1,300.00
Total:	\$56,591.00	\$12,290.00 -\$500.00 from GSC supplemental = \$11,790.00

The revised total the 8 graduate clubs came up with was \$12,290.00. Since that number is still over the budget (\$11,789.00) GSC collectively decided to forgo \$500.00 of supplemental funds →
 $\$12,290.00 - \$500.00 = \$11,790.00 \checkmark$

Additional Discussion Topics/Questions:

-Distinguished Research Fellowship Funding: Students seeking to perform research can apply for \$2,000 per research project. Applications and the application process are sponsored by Academic Affairs and the process is coordinated by The Office of Graduate Studies. An e-mail will be sent out later this week to outline steps to request funding from The Office of Graduate Studies. Here is a link to the application <http://intraweb.stockton.edu/eyos/page.cfm?siteID=73&pageID=358>

-Stockton van may be used for event transportation if driven by student worker (such as graduate assistant)

-Requests for hotel funding within certain “local” distances will likely be denied

Thank you to all of the clubs for your cooperation and selflessness. We recognize that you all made many changes to your budget requests. Please do not hesitate to ask e-board members for assistance in seeking additional funding from other campus resources. We will do our best to point you in the right direction.
