CULTURAL IMMERSION PROGRAM
For International Visitors

Stockton University is dedicated to bridging cultural gaps and enhancing its cultural exchange program. Therefore a Cultural Immersion Program is developed to help International Visitors learn more from their visit to the U.S and bring back greater knowledge of America, its people, its history and culture. Stockton University hopes the Cultural Immersion Program will help strengthen academic and economic ties with our global community and help bring greater knowledge and awareness of what America is all about.

To educate our exchange visitors about the U.S. history, culture and traditions during this experience-rich time. The Cultural Immersion Program offers the following:

- Meet and Great
- Oktoberfest
- Pumpkin Picking and Carving
- Thanksgiving Dinner
- New York City
- Winter Holiday Celebration
