BEGINNING Watercolor for Mature Adults...Seniors

Learn the fundamentals of painting with watercolors in this four week course. We will discuss the selection of brushes, paints and watercolor papers as well as other related topics. Students will learn basic techniques as they begin to paint. The instructor will supply initial painting inspiration, but students are encouraged to develop their own inspirations as well. This class is geared toward mature adults, but all adults are welcome.

Supplies required at first class:
Notebook, mechanical pencil with white eraser, paper towel and 2 plastic containers for water, i.e., old yogurt cups. Bring any WATERCOLOR supplies you might have on hand. In the first class we will have the very basics to get you started and you will be given a list of all other supplies needed for the sessions. Don’t worry if you do not have all, or any, supplies for the first class. We will have some supplies and kits available for a small fee.
