To Our Military and Veterans Families:

The Governor’s Council on Alcoholism and Drug Abuse (GCADA) is honored to dedicate this Resource Directory to all the brave men and women of New Jersey who have served in the US Armed Forces in defense of our freedom. The War on Terrorism, since its start in 2001, has relied upon our citizen soldiers, National Guard and Reserve Units, in addition to active service personnel.

The continuing personal and family sacrifices in service to our nation involve long periods of deployment to the war zone leaving many military families feeling isolated and confused. All of these difficulties, as well as the combat experience itself, can cause both visible and invisible wounds for veterans and their families.

In this current war, the impact we are seeing is different from past experiences in that our citizen soldier families live in our neighborhoods and their kids attend our schools. In the past several years the GCADA saw one of its department designee to the Council, Sgt. Cynthia Carolucci, from the New Jersey National Guard, deployed to Afghanistan. Currently, New Jersey Department of Military And Veterans’ Affairs Designee to the Council Dorinda Sapp’s fiancée has recently returned from a tour of Afghanistan. Several GCADA members and its staff are also veterans and are keenly aware of the price paid by service personnel and their families.

In response to the needs of our military members, veterans and their families the GCADA Veterans Committee explored ways the Council and the Alliance Prevention Network might assist these families, our neighbors. The idea of a resource directory to assist military and veterans families was one the Committee felt the Council could play a very helpful role.

As with the first resource guide, this second edition would not be possible without the commitment of the Council, and the determined work of the committee members and GCADA staff. The Veteran’s Committee also acknowledges the genuine support given by Governor Chris Christie to New Jersey’s active guard, reservist, military service personnel, veterans and their families.
I have served on the GCADA for nearly two decades and have always been proud of the leadership it has given to its grassroots prevention network, the Alliance Program, since 1990. However, as a combat wounded veteran, and as New Jersey State Commander for the Military Order of Purple Heart, my pride in the GCADA has grown to a new level knowing that it cares enough to reach out and find a way to help today’s heroes, our military service personnel and their families, who are paying the price for our nation’s freedom, security and comfort.

Sincerely yours,

Neil Van Ess, GCADA Acting Chairman

Support Assistance for Military and Veteran Families

New Jersey Prevention Network: Military Family Nights Program
Family communication and structure is strained with each deployment. The Military Family Nights series is based on the Strengthening Families Program in which families practice communication skills, family meetings, effective discipline, therapeutic child play, reinforcing positive behaviors in each other and jointly planning family activities.

New Jersey Prevention Network: Achieving Personal Balance Program
Military men and women serving multiple tours experience life as a revolving door of war, home, then back to combat — sometimes within months — and face the same dangers, the same stressors and the same agonizing separation from loved ones. Achieving Personal Balance (APB) is a gender-specific program designed to develop and apply effective coping strategies to deal with stressors at work and home specific for men and women who are serving or have served in the military.

Programs are available around the state. For more information or to register, please visit www.njpn.org/military

Housing Information

Home Loans

VA Guaranteed Home Loan
Veterans can apply for a VA loan with any mortgage lender that participates in the VA home loan program. Veterans are exempt from down payments.

The loan is made by a lender, such as a mortgage company, savings and loan or bank. VA’s guarantee on the loan protects the lender against loss if the payments are not made, and is intended to encourage lenders to offer veterans loans with more favorable terms. The amount of guaranty on the loan depends on the loan amount and whether the veteran used some entitlement previously. With the current maximum guarantee, a veteran who hasn’t previously used the benefit may be able to obtain a VA loan up to $240,000 depending on the borrower’s income level and the appraised value of the property. The local VA office can provide more details on guaranty and entitlement amounts.

Note: Although the veteran may be approved for a VA home loan guarantee, the veteran still needs to have a good credit rating to obtain a loan from a lending institution, such as a bank or credit union. Contact State Veterans Service Offices listed in appendix A for more information on loans.

NJ Housing and Mortgage Finance Agency (HMFA)
The New Jersey Housing and Mortgage Finance Agency
(HMFA) offers low interest rate HMFA mortgages that pro-
vide veterans and their families with increased buying
power and a savings of thousands of dollars in interest
over the life of the loan. HMFA offers residential mortgages
to United States veterans through the Veterans Adminis-
tration (VA) home buyer program. Most HMFA homeownership loans are originated by private lenders that are approved to participate in the programs.
Eligibility -
New Jersey residents must first be eligible for a federal VA guaranteed home loan. Contact any state Veterans Service Office in Appendix A.

Details -
Veterans can apply for an HMFA mortgage for any of the following: first time and urban home buyers, police and firefighters, purchase and rehabilitation mortgages, and reverse mortgages for seniors. More than 55 participating lenders with hundreds of locations throughout the state offer HMFA mortgage products, and can help determine the right mortgage for you.

VA home buyer loans often require no down payment and HMFA offers a below-market, fixed interest rate. Closing costs may not be included in the loan, however the seller is allowed to pay most costs, which makes it possible for a veteran to buy with virtually no cash down. Closing costs generally include VA appraisal, credit report, escrow, title evidence, recording fees, a 1% loan origination fee and discount points.

A reverse mortgage loans allow seniors (62 and over) to access the equity in their home without a monthly repayment schedule for as long as they live in the home. Loan proceeds can be taken in a lump sum, monthly payments, line of credit or some combination of these options. Loan amount is determined by property value and borrower age. Counseling is required. No restriction on value of property. No income requirements or verification.

LWYW homebuyer program (Live Where You Work)
The LWYW program is a home mortgage incentive program that provides low-interest mortgage loans to homebuyers purchasing homes in towns where they are employed. The goal of LWYW is to build stronger communities by promoting homeownership and encouraging people to live closer to their jobs. This, in turn, will reduce the need for cars and increase the use of alternative transportation such as walking, biking and public transit.

If you would like to buy a house in the town where you currently work, then LWYW might be right for you. Employees benefit from attractive mortgage rates, more flexible loan application review and underwriting criteria, and re-
duced commuting times to work. Municipalities benefit from having a committed workforce living nearby, and the activity and economic vibrancy that comes with people living near where they work.

**What are the eligibility requirements**

**Eligible Properties Must:**

1. Be located in a municipality that is currently participating in the LWYW program.
2. Municipalities Currently Participating in the LWYW Program include:
   - City of Trenton
   - Jersey City
3. Be located in the same town as the buyer’s employer

**Purchase Refinance**

Qualified first-time home buyers and urban target area buyers can receive below-market interest rate financing for the purchase and rehabilitation of a home, or the rehabilitation of a presently owned home. Seventy-five percent of the home’s existing external walls and interior structural framework must remain in place as part of the rehabilitation. Must meet FHA 203(K) requirements. Please see the latest income and purchase price limits. Further detail is available on our Fact Sheet or call 1-800-NJ-HOUSE. Speech or hearing impaired individuals may call the TTY hotline at 1-877-325-6524

**Smart Start Fact Sheet**

Accumulating the funds for down payment and closing costs is a common barrier to potential homeowners. The Smart Start Program is available to participants in the Agency’s first mortgage homebuyers program who are purchasing homes in Smart Growth areas and who earn less
than 80% of HMFA’s Home Buyer county income limits. The program helps these families by offering a second mortgage for down payment and/or closing costs up to 4% of the first mortgage.

**New Jersey Property Tax Benefits**

The New Jersey Property Tax Exemption and Deduction require veterans to serve during a specific war time period. See the New Jersey War Dates on page 30.

**NOTE:** For New Jersey Property Tax Exemption and Deduction, Haiti service is not included as a war time period.

The dwelling house is the veteran’s primary legal residence.

The veteran or surviving spouse must own and occupy the house.

If the house is a multiple family building, the exemption is only granted for the portion actually occupied by the veteran or surviving spouse.

The definition of resident is the same for the property tax exemption and deduction. It is the legal domicile within the state. Seasonal or temporary residence in the state is not considered being a resident of New Jersey. Absence from the state for a period of 12 months shall be sufficient evidence of abandonment of domicile. The burden of establishing legal domicile in the state is the claimant’s burden.
New Jersey Property Tax Exemption

Eligibility for Veterans who meet all of the following criteria:

1. Served during a specified wartime period.
2. Received an honorable discharge or under honorable conditions.
3. Rated 100 percent permanent service-connected by the VA. The 100 percent rating cannot be temporary or as a result of hospitalization, surgery or recuperation.

Eligibility for spouses who meet the following criteria:

1. Not remarried.
   Even if the marriage is terminated by death/divorce, the spouse is no longer entitled. However, if the marriage is annulled, the surviving spouse regains eligibility.
2. Veteran previously received exemption prior to death.
3. Veteran would have been found eligible if an application had been filed prior to death.

And one of the following criteria:

1. The veteran had to be rated 100 percent permanent VA service-connected prior to death. A spouse is not eligible if the veteran was rated less than 100 percent permanent service-connected, but died of that service-connected disability.
2. The veteran died in active service during wartime in any branch of the United States Armed Forces. Application Process The application at the municipal property tax assessor’s office is signed and filed with the following documentation:
   A. property deed
   B. discharge (DD214)
C. VA Property Tax Exemption Letter. The letter must be requested by contacting the VA at 1-800-827-1000. Do NOT submit the VA Award Letter indicating the monetary award. That may delay the effective date of the exemption.

New Jersey Property Tax Deduction
There is an annual property tax deduction of two hundred and fifty dollars.

Veterans’ eligibility
1. A citizen of the United States
2. Resident of New Jersey
3. Honorably discharged or released under honorable conditions from active service in a war-time period, in any branch of the U.S. Armed Services.

Surviving spouse’s eligibility
1. The surviving wife or husband of a veteran who was a citizen of the United States and resident of New Jersey and one of the following:
2. Was receiving the deduction prior to the veteran’s death.
3. Would have been eligible for the deduction had the veteran filed an application prior to death.
4. Has died on active duty in a wartime period.
The application process - Filing an application with all required documentation prior to December 31 of the pre-tax year in order to be effective in the next year. Documentation includes the property deed and discharge (DD-214) for the veteran. The widow may need to submit the property deed, marriage certificate, death certificate and discharge (DD-214).

Continuance of Deduction - The tax assessor MAY at any time require the filing of a new application or request documentation to determine continuance of the deduction. However, the tax assessor cannot require a new application from every veteran or spouse every year.

Deduction for Cooperatives - For cooperatives, the procedure is different. The manager or superintendent must complete forms indicating the names and locations of the veterans or spouses within the co-op to the tax assessor. The deduction is then granted to the co-op, the co-op is responsible to either reduce the rent by deduction amount or present a check to the veteran or spouse.

Refunds for Deductions - NO RETROACTIVE payment for the deduction for any previous year(s) when an application was not filed with all supporting documentation.
Low Income Home Energy Assistance Program (LIHEAP)  
And  
Universal Service Fund (USF)

Fact Sheet

The Low Income Home Energy Assistance Program (LIHEAP) is designed to help low-income families and individuals meet home heating and medically necessary cooling costs. The application period is November 1st to March 31st April 30th. To apply for LIHEAP, contact the authorized local community action agency or community based organization in your area. A list of these agencies is enclosed. For persons age 60 or over, or who are disabled, applications may be received and returned by mail. Other households may apply by mail at the discretion of the local agency.

To be eligible for LIHEAP benefits, the applicant household must be responsible for home heating or cooling costs, either directly or included in the rent; and have gross income at or below 175% of the federal poverty level. Persons who live in public housing and/or receive rental assistance are not eligible unless they pay for their own heating/cooling costs directly to the fuel supplier. The amount of the LIHEAP heating benefit is determined by income, household size, fuel type, and heating region. This year, the medically necessary cooling assistance benefit is set at $100.

The LIHEAP application is also an application for the Universal Service Fund (USF) Program. Therefore, you apply for two energy assistance programs at the same time. USF is a program created by the New Jersey Board of Public Utilities to help make natural gas and electric bills more affordable for low-income households. If you are eligible, USF can lower the amount you pay for gas and electricity. To be eligible, a household must meet the same income guidelines as LIHEAP and pay more than 3% of its annual gross income for electric, or more than 3% for natural gas. If a
household has electric heat, it must spend more than 6% of its annual gross income on electricity to be eligible. For more information about USF, call: 1-866-240-1347.

For further information on LIHEAP or to locate the nearest application agency, call 1-800-510-3102. Additional information about LIHEAP and USF, including an application, is also available at www.energyassistance.nj.gov.

Veterans Haven

The Transitional Housing Program for homeless veterans occupies one large building on state property in Winslow Township. The program is divided into three phases: treatment; self-reclamation; and community reintegration. Each phase lasts three to six months and is tailored to individual treatment needs and vocational interests.

Eligibility -

Eligible veterans are referred from a VA Medical Center after receiving a medical evaluation. To be admitted into the program, the veteran must agree to a long-term program focusing on psychological, social and vocational rehabilitation. The program is drug and alcohol free, and has a staff comprised of professionals in the fields of mental health, addictions, social work, vocational rehabilitation and nursing.

Contact -

For more information on the Transitional Housing Program (Veterans Haven) for homeless veterans call 609-561-0269.
Stand Down Operations

Stand Down helps the New Jersey’s homeless veterans "combat" life on the streets by providing a broad range of necessities, including food, clothing, medical, legal and mental health assistance, job counseling, and referrals, but most importantly, companionship and camaraderie.

Membership is open to Veterans and volunteers over the age of 18 who are willing and able to give of their time, efforts and resources in assisting programs for homeless veterans.

Program Goals:

1. Provide immediate short-term relief from the trauma and stress of homelessness and a safe haven for a short period;
2. Bring services and assistance into the field directly to the homeless veteran; provide access to short term services and assistance such as food and clothing;
3. Provide access to longer-term solutions such as VA and social services benefits;
4. To build strong long term interagency and volunteer community working relationships;
5. To raise local and national awareness of the plight of homeless veterans with the hope of increasing community involvement;
6. Start the healing process by returning selfrespect to a lost segment of our nation's veteran's population;
7. To encourage replication of the program in other cities across the United States.

Contact - If you are interested in volunteering for Stand Down, call 1-888-8NJ-VETS.

Legal Assistance

Military Legal Assistance Program

New Jersey Bar Association:
The New Jersey State Bar Association (NJSBA) through its Military Law and Veterans’ Affairs Committee, in conjunction with McCarter & English, LLP has established the Military Legal Assistance Program, a pro-bono - i.e., free - program to provide assistance to New Jersey residents who have served overseas as active duties members of reserve components of the armed forces after September 11, 2001. Many returning veterans have been adversely affected by reason of their status, change of status, or long deployment. It is anticipated there is a need for legal assistance for these military personnel in civil matters. The program can offer assistance in Family Law, Employment Law and Debtor-Creditor Law. The program will refer members of the military who contact the NJSBA to volunteers qualified to assist with their specific need. Volunteers who accept the case must agree to handle such case from inception to resolution without compensation or reimbursement for expenses.

Signed into law by Gov Jon Corzine on August 12, 2008

Any license issued by a professional or occupational board designated in section 2 of P.L.1978, c.73 (C.45:1-15) and any registration issued under the "New Jersey Controlled Dangerous Substances Act," P.L.1970, c.226 (C.24:21-1 et seq.), will not expire while the licensee or registrant is an active member of the Armed Forces of the United States and will be extended for up to 120 days after the licensee's or registrant's return from active service. If the license or registration is renewed during the 120-day period after the licensee's or registrant's return from active service, and the licensee or registrant submits documentation verifying his or her active military service, the licensee or registrant will only be responsible for normal fees and activities relating to renewal of the license or registration and will not be charged any additional costs, such as, but not limited to, late fees or delinquency fees.

“So our record of living our values and letting our values be an inspiration to others I think is clear. And I don't think I have anything to be ashamed of or apologize for with respect to what America has done for the world. We have gone forth from our shores repeatedly over the last hundred years and we've done this as recently as the last year in Afghanistan and put wonderful young men and women at risk, many of whom have lost their lives, and we have asked for nothing except enough ground to bury them in, and otherwise we have returned home ... to live our own lives in peace.”

General Colin Powell

“There are some who've forgotten why we have a military. It's not to promote war; it's to be prepared for peace.”

Ronald Reagan

Employment and Training Services

Uniformed Services Employment and Reemployment Rights Act (USERRA)
USERRA replaced the Veterans’ Reemployment Rights (VRR.) USERRA guarantees reemployed persons pension plan benefits that accrued during military service, regardless of whether the plan is a defined benefit plan or a defined contribution plan.

USERRA provides health benefits continuation for service members and their families during military service for up to 18 months.

USERRA is enforced by Department of Labor’s Veterans’ Employment and Training Service (VETS).

Eligibility - The Act applies to persons who perform duty, voluntarily or involuntarily, in the Army, Navy, Marine Corps, Air Force, Coast Guard, and Public Health Service commissioned corps, as well as the reserves of each. Federal training or service in the Army National Guard and Air National Guard is also included. Uniformed service includes active duty, active duty for training, inactive duty training (such as drills), and initial active duty training. USERRA covers all employees except those serving in positions where there is “no reasonable expectation that employment will continue indefinitely or for a significant period” i.e. seasonal work.

Basic Provisions/Requirements - Service members returning from a period of service in the uniformed services must meet five eligibility criteria to be covered by USERRA:

1. The person must have held a civilian job;
2. The person must have given notice to the employer that he or she was leaving the job for service in the uniformed services;
3. The period of service must not have exceeded five years;
4. The person must have been released from service under honorable conditions; and
5. The person must have reported back to the civilian job in a timely manner or have submitted a timely application for reemployment.

USERRA establishes a 5-year cumulative total on military service with a single employer, with certain exceptions allowed for call-ups during emergencies, for reserve drills and annually scheduled active duty for training, etc. USERRA also allows an employee to complete an initial period of active duty that exceeds 5 years, not including reenlistments. Under USERRA, restoration rights are based on the duration of military service rather than the type of military duty performed, e.g., active duty for training, inactive duty, etc.

Time limits for returning to work under USERRA, with the exception of fitness-for-service examinations, depend upon the duration of a person’s military service. The applicable time limits are as follows:

Less than 31 days service: By the beginning of the first regularly scheduled work period after the end of the calendar day of duty plus time required to return home safely. If this is impossible or unreasonable, then as soon as possible.

31 to 180 days: Application for reemployment must be submitted no later than 14 days after completion of a person’s service. If this is impossible or unreasonable through no fault of the person, then as soon as possible.

181 days or more: Application for reemployment must be submitted no later than 90 days after completion of a person’s military service.

Service-connected injury or illness: Reporting or application deadlines are extended for up to two years for persons who are hospitalized or convalescing.
Contact -
Information regarding USERRA may be obtained by calling the US Department of Labor at 1-866-487-2365 or going online to: www.dol.gov

Veterans’ Employment and Training Service (VETS)
The mission of the Veterans’ Employment and Training Service (VETS) is to provide veterans and transitioning service members with the resources and services to succeed in the 21st century workforce by maximizing their employment opportunities, protecting their employment rights, and by meeting labor-market demands with qualified veterans. Additionally, there are supportive services provided to help make the veteran employable.

Employment Services for Veterans
The U.S. Department of Labor, Veterans’ Employment and Training Service (VETS) offers employment and training services to eligible veterans through a non-competitive Jobs for Veterans State Grants Programs Under this grant program, funds are allocated to State Workforce Agencies in direct proportion to the number of veterans seeking employment within their state. The grants support two principal staff positions:
- Disabled Veterans’ Outreach Program Specialists (DVOP)
- Local Veterans’ Employment Representatives (LVER)

This grant provides funds to exclusively serve veterans, other eligible persons, transitioning service members, their spouses and, indirectly employers. The grant also gives the State the flexibility to determine the most effective and efficient distribution of their staff resources based upon the distinct roles and responsibilities of the two positions.

DVOP and LVER staff provide services to all veterans that Title 38 indicates are eligible for their services, their efforts are concentrated according to their respective roles and responsibilities, on outreach and the provision and facilita-
tion of direct client services to those who have been identified as most in need of intensive employment and training assistance. The DVOP and LVER staff, through outreach with employers, develop increased hiring opportunities within the local work force by raising the awareness of employers of the availability and the benefit of hiring veterans.

**Disabled Veterans’ Outreach Program Specialists**

Disabled Veterans Outreach Program (DVOP) specialists provide intensive services to meet the employment needs of disabled veterans and other eligible veterans. The maximum emphasis is directed toward serving those who are economically or educationally disadvantaged, including homeless veterans and veterans with barriers to employment.

DVOP specialists are actively involved in outreach efforts to increase program participation among those with the greatest barriers to employment, which may include but should not be limited to: outplacement in Department of Veterans Affairs (VA) Vocational Rehabilitation and Employment Program*offices; VA Medical Centers; routine site visits to Veterans’ Service Organization meetings; Native American Trust Territories; Military installations; and other areas of known concentrations of veterans or transitioning service members.

The case management approach, taught by the National Veterans’ Training Institute, is generally accepted as the method to use when providing vocational guidance or related services to eligible veterans identified as needing intensive services.

**Local Veterans’ Employment Representatives**

Local Veterans’ Employment Representatives (LVER) conduct outreach to employers and engage in advocacy efforts with hiring executives to increase employment opportuni-
ties for veterans to encourage the hiring of disabled veterans, and generally assist veterans to gain and retain employment. LVER & staff conduct seminars for employers and job search workshops for veterans seeking employment, and facilitate priority of service in regard to employment, training, and placement services furnished to veterans by all staff of the employment service delivery system.

To meet the specific needs of veterans, particularly veterans with barriers to employment, the DVOP and LVER staff are thoroughly familiar with the full range of job development services and training programs available at the State Workforce Agency One-Stop Career Centers, Department of Veterans Affairs Vocational Rehabilitation and Employment Program locations.

**Eligible Applicants**
Applications for funds under the Jobs for Veterans State Grants Program will be accepted only from the designated administrative entity that operates the employment service delivery system within the State.

For more information regarding Employment Services for Veterans and VETS’ other programs and services, visit our website at: [www.dol.gov/vets](http://www.dol.gov/vets).

**Veterans Civil Service Benefit**
The New Jersey Department of Military and Veterans Affairs is the agency that determines veteran preference for hiring in New Jersey civil service and veterans status for New Jersey civil service pension plans. War period veterans who pass the civil service examinations are given absolute preference over non-veterans when applying for state, county or municipal employment. Absolute preference is not extended to promotions, but if a veteran ranks highest on a promotional certification, a non-veteran can-
not be offered the appointment before the veteran. Veterans with service connected disabilities (at least 10 percent) who pass the civil service examinations are given preference over other veterans and non-veterans. Eligibility requirements apply, e.g., specific time periods of active duty, discharge status etc. Spouses, widows and parents of deceased or disabled veterans are eligible under certain circumstances. For information call Veterans Benefits Bureau at 609-530-6954.

There are additional retirement and pension benefits offered to veterans who are members of the Public Employees’ Retirement System (PERS). For more information call the New Jersey Division of Pension and Benefits at 609-292-7524.

**Helmets to Hardhats**
The New Jersey State Building and Construction Trades Council program (NJ H2H) is designed to help transitioning military personnel find careers in the building and construction industry. The program seeks to help military members find a career in one of 15 affiliated trades, such as carpenters, electricians, painters etc. Unions have been proactive in placing Veterans in good paying, skilled positions through their Helmets to Hardhats and recently rolled out Hire a Hero programs. For registration and information visit online at [www.njbctc.org/h2h](http://www.njbctc.org/h2h) or call 732-499-7295.

**Vet Career Connect**
Vet Career Connect has been organized to connect veterans, members of the New Jersey National Guard, Reservists and their spouses, with a career that would allow them to reach their highest potential. Vet Career Connect is designed to match specific abilities, drives and interests with a job/career requiring those specific abilities. **Vet Career Connect is free service to all Veterans, Veteran spouses, and Parents and children of veterans.** It is an opportunity to com-
complete a personality profile that has been completed by over 2.5 Million people throughout the world, and to receive private feedback (Individual Development Guide) on the results as to how to develop towards a job or career. With the Veteran’s permission, the test results will be placed on a database, along with military records, school history, resume, etc., to be viewed by hundreds or potentially thousands of potential employers. Employers are looking for basic potential – basic ability – not experience – they are willing to train the right person. Operation College Promise (OCP) originated as a web-based resource (www.OperationCollegePromise.com) developed by the New Jersey Association of State Colleges and Universities (NJASCU) in 2008 to centralize transition information for servicemembers on a comprehensive website. This effort, which was cited as a national model by the American Council on Education (ACE) and the American Association of State Colleges and Universities (AASCU), led to the creation of a task force of veteran service providers from each of the nine campuses to research existing programs and services. These conversations helped mold the application and eventual receipt of the ACE/Wal-Mart Foundation "Success for Veterans" grant, one of only 20 in the nation.

The OCP application to ACE/Walmart paved the way for the program's success by identifying and highlighting existing veteran-friendly components as a blueprint for action. Assets among the nine institutions were synthesized to craft a more comprehensive effort to aid servicemembers in their transition to civilian life. ACE/Walmart funding permits OCP to develop and enhance "Promising Practices," even as they continue to evolve, for dissemination among New Jersey institutions and others across the nation. To date, OCP has hosted ten events, reaching more than 500 professionals in fifteen states with a 99 percent satisfaction rate among those surveyed. In October 2010, OCP was asked to testify before the New Jersey Legislature on its innovative offerings and was awarded a Senate Resolution for its efforts on behalf of veterans and servicemembers.
Recent projects include the development of the nation's first resource manual for service providers (The OCP Field Guide) as well as the first Certificate for Veterans' Service Providers (CVSP) program. "The OCP Field Guide" has been expanded to include national resources and will be distributed both electronically and in print. In addition, education offices at military installations across the globe will receive this publication through the support of Thomas Edison State College. The dynamic CVSP project, which has been offered twice in New Jersey, brings together the nation's most prominent expert for a 2-1/2 day workshop on building "environments for veterans' success," wherever they are being served.

In May 2011, the CVSP was offered in San Marcos, Texas, where registration for the workshop filled in 2 weeks. This inaugural presentation of the program was hosted by Texas State University and sponsored by Educational Testing Services. An employer-version is under development to assist the business community prepare for employees who are veterans or servicemembers.

OCP launched its Speaker Series in March 2011 with a screening of "Warrior Champions" at William Paterson University. This documentary chronicles the path of four Iraq war veterans in their quests to make the United States Paralympics Team. Both the directors and the featured athlete of the film were present for a question and answer period.

OCP's outreach to servicemembers continues to include frequent participation in the New Jersey National Guard's mandatory "Yellow Ribbon" Post and Pre-deployment programming. The program was honored to be selected to contribute to activities supporting the return of members of both the 177th and 108th Wings of the New Jersey Air National Guard as well as the Pre-deployment programming for the 199th Corps Support Battalion of the New Jersey
Army National Guard. OCP adopted the 199th for the 2010 holiday season and gathered a large quantity of supplies that will follow them to their destination in Iraq. Veterans and servicemembers access updated information on existing and emerging programs and services through the OCP website and monthly e-newsletter.

The nine NJASCU state institutions have established a solid foundation for incoming veterans that is attracting an influx of new student veterans in numbers even beyond expectations. The Operation College Promise (OCP) project currently supports more than 12,000 (12% of total student body) active-duty or veteran students, as well as dependents on NJASCU campuses. An August OCP survey revealed that, in one year, enrollment of military-affiliated students has increased by a median of 60%, with several institutions more than doubling this population. This project has also reached over 500 veterans service providers through live presentations and thousands more through electronic means. To date, direct outreach to servicemembers exceeds 4,000 live and thousands more electronically. Nearly every higher education institution has availed itself to OCP programming since its inception in 2008.

For more information on Operation College Promise, call 609-989-1100.

PTSD (Post Traumatic Stress Disorder)  WHAT IS IT ?

After a trauma or life threatening event it is common to have upsetting memories of what happened, to have trouble sleeping, to feel jumpy, or to lose interest in things you used to enjoy. For some people these reactions do not go away on their own, or may even get worse over time. These people may have Posttraumatic Stress Disorder (PTSD).

WHERE TO GET HELP

What can I do if I think I have PTSD?
If you think you have PTSD, it’s important to get treatment. Treatment can work, and early treatment may help reduce long-term symptoms.

If you think you have PTSD: Contact your local Vet Center

Veteran Suicide: Methodology

How to Spot Warning Signs
The Department of Veterans Affairs provides the following warning signs.

- Talking about wanting to hurt or kill oneself
- Trying to get pills, guns, or other ways to harm oneself
- Talking or writing about death, dying, or suicide
- Hopelessness
- Rage, uncontrolled anger, seeking revenge
- Acting in a reckless or risky way
- Feeling trapped, like there's no way out
- Saying or feeling there's no reason for living

For more on mental health services at the Dept of Veterans Affairs, call the VA's suicide hotline at 800.273.TALK (8255).

Suicide Signs Unique to Vets

Experts on suicide prevention say for veterans there are some particular signs to watch for.

- Calling old friends, particularly military friends, to say goodbye
- Cleaning a weapon that they may have as a souvenir
- Visits to graveyards
- Obsessed with news coverage of the war, the military channel
- Wearing their uniform or part of their uniform, boots, etc
- Talking about how honorable it is to be a soldier
- Sleeping more (sometimes the decision to commit suicide brings a sense of peace of mind, and they sleep more to withdraw)
- Becoming overprotective of children
Standing guard of the house, perhaps while everyone is asleep staying up to "watch over" the house, obsessively locking doors, windows
If they are on medication, stopping medication and/or hording medication
Hording alcohol -- not necessarily hard alcohol, could be wine
Spending spree, buying gifts for family members and friends "to remember by"
Defensive speech "you wouldn't understand," etc.
Stop making eye contact or speaking with others

**Hotline for Veterans**
Veterans who need help immediate counseling should call the hotline run by Veterans Affairs professionals at 1-800-273-TALK and press 1 identifying themselves as military veterans. Staff members are specially trained to take calls from military veterans and its staffed 24 hours a day, everyday. While all operators are trained to help veterans, some are also former military.

Below are additional web-sites that provide information on Veterans benefits and how to file/ask for them. Accordingly, there are many sites that explain how to obtain books, military/medical records, information and how to appeal a denied claim with the VA. Please pass this information on to every Veteran you know. Nearly 100% of this information is free and available for all veterans, the only catch is: you have to ask for it, because they won't tell you about a specific benefit unless you ask for it. You need to know what questions to ask so the right doors open for you and then be ready to have an advocate who is willing to work with and for you, stay in the process, and press for your rights and your best interests.
