Stockton Employee's iPhone, iPad, & iPod E-mail Setup

WARNING: Setting up your iPhone, iPad or iPod touch for Stockton email will erase all existing contact and calendar information. Please backup your data before proceeding.

1. To add your Stockton email account to your iPhone or iPod touch, tap Settings, then Mail, Contacts, Calendars, then Add Account, then Microsoft Exchange.

2. On the next screen, enter your Stockton email address, domain(Stockton), username, password, and a description (which may be anything you like).
3. Your iPhone (or iPod touch) will now try to connect to Stockton’s mail server. After a short delay it will prompt for the Server name. Enter webmail.stockton.edu.

4. Choose which Stockton data you would like to Synchronize with your iPhone: Mail, Contacts, and Calendars.

Setup is complete. You can now access your Stockton email, calendar and contacts on your iPhone.
