Galloway Township, NJ - Stockton University's Disney Association, a unique student organization at Stockton, will be hosting its second annual fundraiser, Walking for Wishes, on **Saturday, April 18** from 10 a.m. to 2 p.m. at the Townsend Residential Life Center (adjacent to Parking Lot 6) on the main Galloway campus.

The event will feature a variety of children's activities, games, music, food, and door prizes – many of which have been donated by local businesses. The walk itself will include a lap around the university's scenic Lake Fred.

The organization is encouraging guests to wear their favorite Disney costume or attire, and members of the community are welcome, including young children and those who are young at heart.

Tickets are \$10 at the door or can be purchased in advance at the university's Campus Center information desk. Children under the age of 5 are free. All net profits will benefit Make-A-Wish New Jersey, a local chapter of Make-A-Wish[®], which grants wishes to children with life-threatening medical conditions.

For more information, please email StocktonsDisneyAssociation@gmail.com.
