Take a musical trip up the beanstalk with Jack and discover the town's unexpected solution to the Giant's grumpy attitude!

The Greater Ocean City Theatre Company (GOCTC) operates as a Summer Stock/Regional Non-Equity Company, producing 3 - 5 professional musicals a year. GOCTC has a wonderful relationship with the Ocean City POPS Orchestra. Through this collaboration summer audiences have the opportunity to see live Broadway style shows in America's Greatest Family Resort.

GOCTC's commitment to dance, music and theatre education for youth is constantly growing. GOCTC staff members run theatre camps through the Department of Recreation and with the Ocean City POPS. GOCTC has established a Junior Company that features area youth in several fully staged productions.

In 2011, the Board of Directors and Staff officially restructured the Company to adopt the name Greater Ocean City Theatre Company. This re-branding allows more room for growth and support of the Company's vision of performing arts all around the Delaware Valley.

This presentation is a joint project sponsored by the Stockton Performing Arts Center, one of New Jersey's major cultural organizations, and the Atlantic County Branch of the American Association of University Women.

This program is made possible in part by funds from the New Jersey State Council on the Arts/Department of State, a partner agency of the National Endowment for the Arts and by funds from the National Endowment for the Arts.
