Special thanks to Kappa Sigma Fraternity, Joe Loefflad, Director of Telecommunications, Plant Management and the Residence Life staff for their generous contributions and to Deputy Chief Mangiello for organizing the drive with the Marines.

FACILITIES PLANNING AND CONSTRUCTION

Campus Center

Completion of concrete sidewalks and curbing around the Campus Center has been temporarily been put on hold due to the cold weather. The first layer of asphalt paving on the driveway leading to the loading dock has been completed while the installation of new light-poles is ongoing. Installation and painting of the interior doors is ongoing. Suspended tile ceilings throughout the building are completed, including HVAC grilles and ceiling light fixtures, which have been installed and are operational in half of the building. Start-up of the HVAC system was successful and the building is currently being heated. Ceramic tile in all restrooms has been completed while the installation of plumbing fixtures is ongoing. Wood flooring and carpeting continues to be installed throughout the building. The Grand Hall fireplace continues to be constructed preparing the way for the artist to begin his art work on the stone.

Campus Center Backfill – Phase I

Phase I of this project includes upper N-Wing, upper and lower G-Wing Levels loading docks on Lakeside Lane and a small portion of F-Wing. These spaces will be transformed into academic, administrative and faculty spaces. The design for these areas has been completed and approved by the College. Construction is scheduled to commence in April with an anticipated completion date of August 2011.

Parkway Building Renovation/Transformation into SRI/ETTC

The design of the renovation work at the Parkway Building is underway. Forecasted construction commencement is targeted for August 2011.

Unified Science Center

A three-story, 62,566 gross square foot building will be constructed to provide academic facilities to support the College's Sciences Programs. The building will include wet and dry laboratories, classrooms and support facilities. The College advertised a Request for Proposal for a General Contractor in January with bids due back in March. It is anticipated that the College will provide a Notice to Proceed to the Contractor in April with an expected construction start date of June 2011.

ARRA Solar Grant

The College advertised a Request for Proposal in December for the new solar array which is scheduled to be constructed at the North and West Lots, as well as on the roofs of Housing IV and V. It is anticipated that a contract will be awarded for this project in March. This project is scheduled for completion during late summer 2011.

Plant Management Storage Buildings

This project includes the construction of two (2) metal buildings to be installed adjacent to the existing Plant Management Building. The buildings will be used primarily for storage but will also include two workshops and offices. Design plans for the construction has begun and we expect completion during early summer 2011.

College Walk Reconstruction

This project will be constructed in two (2) phases. Construction of Phase I of this project has begun. The first phase of construction entails the transformation of College Walk adjacent to the Campus Center and construction of the plaza at the Grand Hall entrance. The second phase of the project will construct the remainder of College Walk and the plazas at B, F, J, K and N-Wings. Completion of Phase I of this project is scheduled for April 2011.

L-Wing Renovation

L-Wing pool will be transformed to house a new 2-story art gallery, faculty offices, tiered classrooms, The William J. Hughes Center for Public Policy and the Affirmative Action and Ethical Standards offices. Construction is currently underway and all major demolition was completed the end of December; footings and foundations have also been completed and the erection of structural steel has commenced. This project is scheduled for completion for fall 2011 use.

C/D-Wing Courtyard Renovation

Renovation of the under-utilized C/D-Wing courtyard will transform this area into additional academic and student life support space. The project is under construction and the excavation, re-grading and installation of the new concrete footings, piers and foundations are nearing completion. Structural steel is scheduled to begin late February 2011. The project is scheduled for completion in summer 2011.

PAC Renovation

The Performing Arts Center (PAC) will receive a new main entrance along with a new Box Office and additional public restroom capacity. It is anticipated that the contractor will commence construction activities at the Performing Arts Center (PAC) entrance in spring 2011 and complete for fall 2011 use.

Electrical Feeder Upgrade

The site electrical engineer designed the upgrade to the main campus electrical supply lines. In January, the College advertised for a Request for Proposals for the addition of new electric supply lines and the upgrade of existing facilities to provide added capacity for future development activity.

OFFICE OF PLANT MANAGEMENT AND HOUSING MAINTENANCE

The Department of Plant Management and Housing Maintenance continues to support daily maintenance operations, supports numerous events including student, athletic and community based programs, initiates and manages campus-wide renewal and renovation projects and schedules and maintains regulatory compliance for the College.

CAMPUS MAINTENANCE & IN-HOUSE PROJECTS

- **Restroom Facility Upgrades**
The E-Wing and I-Wing restroom facilities received various improvements including new vanities and sinks and/or new ceilings and lighting as part of an ongoing initiative to improve the College's Galleries.
- **Library Entrance Flooring and Lighting Upgrades**
Seven-hundred twenty-five (725) feet of carpet and four-hundred (400) square feet of floor tile was installed throughout the Library to replace the previously existing, fifteen-year old carpeting. Twenty-two (22) new lighting fixtures were replaced in the main entrance and hallway in an effort to increase lighting levels, highlight the existing artwork, and improve energy efficiency.
- **Athletic Improvements**
Various improvements made to Athletic areas include the installation of a new scoreboard in the Sports Center, the installation of a flagpole and the construction and installation of a press box at the North Athletic Complex. In addition, alterations were made to the women's softball field in order to meet NCAA requirements.

HOUSING MAINTENANCE & IN-HOUSE PROJECTS

- **Building 80 Fire Alarm Panel Installation**
The fire alarm panel in Building 80, which supports the entirety of the Housing IV Complex, was upgraded as the previously exiting panel had become obsolete and replacement parts were no longer available.
- **Townsend Residential Life Center (TRLC) Carpet Replacement**
Five-hundred twenty-five (525) square feet of new carpeting was installed in the Townsend Residential Life Center (TRLC) to replace the previously existing carpeting, which had become worn due to the high usage of the area.
- **N-Dorm Tile Installation**
Carpeting was removed and replaced with 14,030 square feet of tiling throughout various rooms in the N-Dormitory of Housing II.

GREEN INITIATIVES

- **Library Entrance Lighting Improvements**
Twenty-two (22) quartz lighting fixtures were replaced with compact fluorescent fixtures in the main entrance and hallway of the College Library, saving approximately 75% in energy usage per fixture.
- **Presidential Reception Area Lighting Upgrades**
Florescent fixtures were removed from the Presidential reception area and replaced with twenty-one (21) LED fixtures. This will provide a 75% reduction in energy consumption.

OFFICE OF THE PRESIDENT

RSC

RICHARD STOCKTON COLLEGE OF NEW JERSEY

MEMORANDUM

DATE: December 1, 2010

FROM: Jo McEnerny, Vice-Chair 
Research and Professional Development Committee,
Assistant Professor of Business Studies
School of Business

TO: Harvey Kesselman,
Provost and Executive Vice President
Office of the Provost

Dear Provost Kesselman:

The R&PD committee met on November 30, 2010 to evaluate applications for sabbatical (FY12). All members, but one who was ill, participated in the discussions and every proposal was given full consideration. We received proposals from 11 faculty members requesting 17 semesters. Of the 13 semesters available, the committee recommends 13 semesters for the faculty members listed here.

Based on our discussions, the committee recommends the following:

- Vincent Cicirello, BUSN, "Automated Search for Large-Scale Digital Libraries of Engineering Artifacts", Spring 2012
- Pamela Hendrick, ARIHU, "Adaptation of Historical Texts for the Stage", Spring 2012
- Kristin Jacobson, ARIHU, "Book Project: The American Adrenaline Narrative", Fall & Spring 2012
- Nathan Long, ARIHU, "The Sleep of Reason, a Short Story Cycle", Fall & Spring 2012
- Amit Mukherjee, BUSN, "Globalization of Health Care: The Rise of Medical Tourism", Spring 2012
- Michael Olan, BUSN, "Data Structures Live Lab – Design and development of interactive computer applications to support teaching Data Structures.", Fall 2011
- Peter Straub, NAMS, "The Ecology of Natural and Artificial Temperate Reefs", Fall & Spring 2012
- Connie Tang, SOBL, "Children and Crime: From Victimization to Perpetration", 1 semester
- Ranya M. Vijaya, SOBL, "Investigating gender differences in asset ownership", Fall & Spring 2012

RESOLUTION

INCREASE IN BID-WAIVERED CONTRACTS

- WHEREAS,** P.L. 1986, C.42 and C.43 (The State College Autonomy Law and the State College Contracts Law) authorize college Boards of Trustees to take necessary actions for effective fiscal and operational management of the state colleges; and
- WHEREAS,** the Board of Higher Education approved on November 21; 1986, Purchasing Policies and Procedures, as enacted by the Stockton Board of Trustees on October 15, 1986, to implement the above statutes; and
- WHEREAS,** these Policies and Procedures specify that public bidding procedures may be waived for certain goods and services as specified in the State College Contracts Law; and
- WHEREAS,** the Board of Trustees of The Richard Stockton College of New Jersey has previously approved a waiver of public bidding for each of the below named vendors; and
- WHEREAS,** the contract with each of the below named vendors must be increased to accomplish the purposes of the bid waiver as specified below; and
- WHEREAS,** the increase in each of the contracts with the below named vendors requires the approval of the Board of Trustees, now, therefore be it
- RESOLVED,** that the Board of Trustees of The Richard Stockton College of New Jersey authorizes the Vice President for Administration and Finance to enter into a revised contract with each of the vendors named below.

Vendor & Categories

Data Processing Software Systems, Service & Equipment

NJEDGE (511020)	\$45,000
Previous Contract Amount:	\$175,000
Recommended Contract Amount:	\$220,000

This bid waiver is required because of the need to increase our internet bandwidth and the ability to acquire VMWare licensing at a high volume discounted rate that NJEdge has negotiated for its members. NJEdge is a private network developed to provide high speed internet and video for NJ colleges and universities (Reference: N.J.S.A.18A:64-56 (a) [19])

RESOLUTION

FY11 BID WAIVER

- WHEREAS,** N.J.S.A. 18A:64-56 (The State College Contracts Law) authorizes college Boards of Trustees to approve waivers of the public bid process for procurement of specified goods and services in furtherance of the missions of the state colleges, and
- WHEREAS,** the Board of Trustees finds the following purchases, contracts and agreements have met the criteria for award without public bid under the provisions of N.J.S.A. 18A:64-56, therefore, be it
- RESOLVED** that the Board of Trustees of The Richard Stockton College of New Jersey authorizes the Vice President for Administration and Finance to enter into contracts with the vendors indicated on the attached list, under the bid waiver provisions of the State College Contracts Law.

Vendor & Categories

FY11

Data Processing Software Systems, Service & Equipment

Atrion Communication Resources, Inc. (511049)

\$44,000

This bid waiver will support an upgrade to our existing Packeteer Packetshaper. The Packetshaper allows us to manage our Internet Bandwidth to provide for efficient use of the Bandwidth between Academic and Residential needs. This is available through other companies however; Atrion has always proved to be the least expensive for this item and is recommended by OEM Blue Coat, other quotes were received. (Reference: N.J.S.A.18A:64-56 (a) [19])

Hobsons, Inc. (511050)

\$150,000

Stockton has been in contract with Hobsons since 2006 as a sole source provider for technology services and other products. The above are a continuation/renewal of previous services and /or enhancements to current products and services. This bid waiver will cover FY11 & FY12 (Reference: N.J.S.A.18A:64-56 (a) [01, 18, 19])

Professional Consulting Services

The Gold Group, LLC (511047)

\$69,900

This bid waiver is for the planning and implementation of 1) a health science campus, 2) hospitality management and other academic programs, and 3) economic development activities. The Gold Group was selected because of its specialized expertise in economic development and related activities. (Reference: N.J.S.A.18A:64-56 (a) [15])

Professional Services

Creosote Affects (511048)

\$37,075

This bid waiver is for the design/ layout of printed undergraduate recruitment materials: Viewbook, transfer brochure, financial aid brochure and "travel piece" publications. This company was the marketing and design vendor for FY08 undergrad Viewbook redesign and has been working with us since. The Viewbook now needs an overhaul, working with the same firm will ensure consistency as well as continue with the recognition successes we have experienced in past admission cycles. The process of requesting quotes from additional vendors to update this project would net a much higher cost for services as preparatory work would add to the projected costs. Creosote has an excellent understanding of Stockton, higher education and Stockton's specific needs. (Reference: N.J.S.A. 18A:64-56 (a) [01])

Marathon Engineering & Environmental Services (511046)

\$50,600

This bid waiver is for Professional Service consulting for engineering & environmental issues surrounding the development of a much needed storage / warehouse facility at the Plant Management complex. (Reference: N.J.S.A. 18A:64-56 (a) [01,15])

RESOLUTION

UNDERGRADUATE TUITION DISCOUNT FOR SUMMER SESSION, 2011

- WHEREAS,** in accordance with the provisions of N.J.S.A. 18A:64-6, the Board of Trustees has the responsibility for establishing tuition and fee rates for students enrolled at The Richard Stockton College of New Jersey; and
- WHEREAS,** given the current economic crisis facing the State of New Jersey and the nation, undergraduate students have alternative opportunities for summer course work at lower cost in the areas near the College; and
- WHEREAS,** anecdotal evidence indicates that price is one of the decisive criteria for undergraduate students in selecting where they will attend summer school; and
- WHEREAS,** available data indicate that tuition discounts in the summer of 2010 resulted in increased enrollments; and
- WHEREAS,** leaders in the Divisions of Academic Affairs and Administration and Finance jointly recommend that the College discount tuition for undergraduate students by 15% during the summer of 2011 as a means of increasing enrollments; therefore be it
- RESOLVED,** that the Board of Trustees approves that a 15% discount be applied to the tuition rates charged for undergraduate course work for the summer of 2011.

RESOLUTION

BUDGET FOR GRADUATE ASSISTANTSHIP PROGRAM

- WHEREAS,** on June 15, 2005, the Board of Trustees approved a formula-based program for graduate assistantships; and
- WHEREAS,** since that time, there has been a significant expansion of the College's graduate offerings as well as the overall enrollment in the College's graduate programs; and
- WHEREAS,** it is no longer necessary to offer graduate assistantships in such large numbers and at such high costs to nurture the growth of the College's graduate programs; now therefore be it
- RESOLVED,** that the Board of Trustees directs that graduate assistantships be supported by a budget that is developed and funded for each fiscal year in the same way as other programs that are supported and funded by the College, that is, via a budget request that is submitted through the Provost to the President and then funded at a level recommended by the President and approved by the Board of Trustees.

APPROVAL OF REVISED COLLEGE POLICIES

- WHEREAS,** the Board of Trustees is responsible for establishing the policies of the Richard Stockton College of New Jersey; and
- WHEREAS,** the policies of the College have recently been comprehensively reviewed and updated by appropriate offices and individuals as needed; and
- WHEREAS,** at its meeting on December 8, 2010, the Board approved a resolution for a first reading of the updated policies; and
- WHEREAS,** the proposed revisions of the policies of the College were published on the College's web page and have been further reviewed and revised utilizing input from interested parties; and
- WHEREAS,** the review of policies resulted in recommendations by policy administrators to delete outdated policies as indicated on the attached list; therefore, be it
- RESOLVED** that the Board of Trustees approves the deletion of policies as recommended; and be it further
- RESOLVED,** that the Board of Trustees approves the revised versions of the policies as promulgated on the College's web site.

APPROVAL OF REVISED BOARD OF TRUSTEE BY-LAWS

FIRST READING

- WHEREAS,** the Board of Trustees is responsible for the establishment of By-Laws and policies which govern the administration and operation of The Richard Stockton College of New Jersey; and
- WHEREAS,** the By-Laws have recently been reviewed and updated to reflect structural changes within the governing body which reflect an increase in board membership and an increase and change in board standing committees; be it
- RESOLVED,** that following the first reading and review of the changes to the By-Laws, the Board of Trustees will consider final approval to amend the By-Laws at its meeting on May 4, 2011.
