Stockton College is the only institution of higher education in New Jersey to have received one of these CERT trailers. Congratulations to **Dennis Lepore** for his leadership and the Stockton CERT team for all their volunteer efforts in keeping our community safe and prepared.

## **FACILITIES PLANNING AND CONSTRUCTION**

### **Campus Center**

Cast stone of the exterior building is completed. The construction of the concrete footings to support the front "porch" is nearing completion; roofing of the entire building is complete and the roof skylights have been installed. HVAC ductwork, rough electric and plumbing have been completed on the 1<sup>st</sup> floor and are now being installed on the 2<sup>nd</sup> floor. Installation of the exterior metal panels and the windows continue. Presently, the project is on schedule and it is anticipated that the building will be completed in spring 2011.

### **Unified Science Center**

A three-story, 62,566 gross square foot building will be constructed to provide facilities to support the College's Sciences and Mathematics Programs. The building will include wet and dry laboratories, classrooms and support facilities. The College is currently working with the architect to select interior colors and finishes for all areas of the building. Furniture and laboratory equipment selection, as well as vendors, are being evaluated. A final review of the architectural drawings by the Chemistry and Biology staff was completed the end of May. It is anticipated that Construction Documents for this project will be completed during summer 2010 and will then be sent to the New Jersey Department of Community Affairs for plan approval. Bidding for this project will take place late 2010 with a spring 2012 completion.

### **Campus-Wide Signage Initiative**

A new directional sign was installed at the entrance of Moss Mill Road and Route 575. A new entrance sign at Jimmie Leeds Road will encompass the LED technology and display information regarding current and upcoming College functions. The College is currently working with a sign contractor to update the existing campus signage, as well as to memorialize "The History of the Negro Baseball League" plaque that once resided at the Sand Castle Baseball Stadium in Atlantic City, New Jersey. This project will be complete late summer 2010.

### **L-Wing Renovation**

L-Wing pool will be transformed to house the new 2-story art gallery, faculty offices, tiered classrooms, The William J. Hughes Center for Public Policy and the Affirmative Action and Ethical Standards offices. This project is currently out to bid with an anticipate fall 2012 completion.

### **C/D-Wing Courtyard Renovation**

Renovation of the under-utilized C/D-Wing courtyard will transform this area into additional academic and student life support space.

This project is currently out to bid. It is anticipated that the project will be completed fall 2011.

### **PAC Renovation**

The Performing Arts Center (PAC) will receive a new main entrance along with a new Box Office and additional public restroom capacity.

This project is currently out to bid. This project is anticipated to be completed fall 2012.

### **Signalized Intersection (Traffic Light)**

Tree cutting, as well as tree trimming at the intersection of Vera King Farris Drive and Jimmie Leeds Road is complete. The General Contractor has begun widening the road at the curve of Vera King Farris Drive for a left hand turn lane onto Louisville Avenue. The General Contractor is currently widening and paving Jimmie Leeds Road and Duerer Street, as well as adding a traffic light at the College's main entrance. This project will be completed in late summer 2010.

### **50 West Jimmie Leeds**

This property, which is located on Jimmie Leeds Road, will be developed into a 25,000 square foot building to house the College's SRIETTC and SPAD program. Currently, The Richard Stockton College of New Jersey's non-profit affiliate, Stockton Affiliated Services, Inc. is requesting proposals for a Design/Build contract to provide "turnkey" services.

The short-listed design build teams have received the Request for Proposals from the College and each firm who made a 90-minute presentation to the College administrators in June regarding their ideas for the proposed building. SASI will make the final decision as to the award of a contract.

#### **College Walk Reconstruction**

The College has issued an architectural contract for this project. The President has selected a Committee to steer the project through the design phase. A draft Program Document was submitted to the Committee in January for their review of the project. The project is scheduled to commence early 2011 with an anticipated late 2011 completion date.

#### **Field #4 Surface Parking**

Soccer Practice Field #4, located south of the Sports Center, will be reconstructed as a temporary overflow parking area for approximately 250 cars. This overflow parking lot will be required when construction begins on the Unified Science Center Building. The parking area will also serve as overflow parking to accommodate College events.

The soccer field will have the top layer of pervious soil removed and replaced with a more substantial material capable of supporting vehicular weight. A plastic hybrid geo-tech mat will be installed as the primary weight bearing material. The geo-tech mat allows grass to grow in and around the installation, thus leaving the appearance of a grassy field. Individual parking stalls will be designated with concrete bumpers.

Project drawings and specifications for bidding were used to solicit bids for the improvement of the field sub-surface and for the installation of a geo-tech material that will be used for temporary parking. This project will be completed in late summer 2010.

#### **Regional Wayfinding Signage**

The existing Stockton College regional signage is outdated, worn, incorrectly scaled and deficient in placement. This project will permit the opportunity to update the guidance signs to meet New Jersey Department of Transportation Road Signage regulations, update the correct name of the College and address placement of the signs providing accurate direction to our campus.

The College is working with the State of New Jersey, Department of Transportation and Atlantic County, Traffic Engineering Division for sign placement coordination. There are approximately twelve regional sites to replace or add signage. The College endeavors to incorporate a "brand" in future campus architecture and signage. Prior to progressing the signage fabrication, an administrative decision guiding the College "branding" proposal with the county and state entities providing assistance for this project is required.

A regional survey of signs has been completed and the College is currently reviewing the study. Upon the completion of the study review, the College will make a determination on how best to proceed.

#### **OFFICE OF PLANT MANAGEMENT AND HOUSING MAINTENANCE**

The Department of Plant Management and Housing Maintenance continues to support daily maintenance operations, supports numerous events including student, athletic and community based programs, initiates and manages campus-wide renewal and renovation projects and schedules and maintains regulatory compliance for the College.

## **CAMPUS MAINTENANCE & IN-HOUSE PROJECTS**

### **Experimental Theater Flooring Repair**

A new wood floor surface was installed and repairs were made to the structural support system in the M-Wing Experimental Theater.

### **Big Blue Awning Installation**

Custom awnings were installed on the exterior of the Sports Center, prior to commencement ceremonies.

### **SchoolDude Work Order Management System – Phase 1**

The Office of Plant Management & Housing Maintenance has successfully completed Phase 1 of the SchoolDude work order management system implementation. Phase 1 included the recording and inputting of over 900 pieces of equipment, 250 locations and buildings, and 185 Plant Management employees.

## **HOUSING MAINTENANCE & IN-HOUSE PROJECTS**

### **Housing II Lighting Replacement**

More than 350 overhead lamps were installed in Housing II to reduce the maintenance requirement of the previously room-assigned, free-standing floor lamps.

### **Housing I Furniture Replacement**

New desks and chairs were replaced in E & F-Courts as part of an ongoing, four-year furniture renewal program.

### **Cedar Swamp Bridge Reconstruction**

The Housing II and Housing III Nature Trail Bridge over the Cedar Swamp was reconstructed using indigenous construction materials.

## **GREEN INITIATIVES**

### **Library Lighting Retrofit – Upper Level**

Energy efficient lighting was installed in the upper level of the Library, replacing previously existing fixtures. Throughout the three phase project, 750 ballasts and 1,500 fluorescent lamps were replaced to reduce energy and increase light output in the area.

### **Geothermal Upgrade at 300 Shore Road**

A new geothermal heating and cooling system was installed at 300 Shore Road, to replace the antiquated, inefficient system that was previously utilized.

## **EVENTS SUPPORTED**

### **OFFICE OF DEVELOPMENT AND ALUMNI AFFAIRS**

The 30<sup>th</sup> Annual Stockton College Scholarship Benefit Gala, held Saturday, April 24, 2010 at Borgata Hotel Casino Spa, over \$625,000 was raised, approximately 750 guests attended. Benefit proceeds help support student scholarships at Stockton. A portion of the event's revenue is being directed to the "Financial Assistance of Last Resort" program managed by the Office of Financial Aid. **Dawn Kanaan Hans**, Director of Special Events has already begun planning for the 31<sup>st</sup> Annual Stockton College Scholarship Gala which will be held, Saturday, April 30, 2011 at the Borgata Hotel Casino Spa.

Planning is underway for the 8<sup>th</sup> Annual Golf Classic will be held on Wednesday, September 29<sup>th</sup> at Seaview. To get involved, please contact **DAWN KANAAN HANS**.

Stockton College Foundation scholarship recipients were selected with the help **The Stockton College Scholarship Selection Committee**, a Presidential appointed committee comprised of faculty, staff and members of the Stockton College Foundation Board of Directors. The Committee convened in early June to review and award almost \$200,000 to upperclassmen, transfer and graduate students for the 2010-2011 academic year. These scholarships are made possible through private gifts to the Stockton College Foundation, and award students for academic achievement, leadership, and service to the College and community.

**Peg Fiore**, Director of Major Gifts, has begun researching potential Planned Giving options and will be conducting several exploratory meetings over the summer. Ms. Fiore has

successfully scheduled and coordinated eight Campaign Leadership Briefings at President and Mrs. Saatkamp's home, during the months of March, April and May. More than forty of Stockton's donors, alumni and friends have attended.

The **ShopRite LPGA Classic** returns to southern New Jersey June 14<sup>th</sup>-20<sup>th</sup>. The **Stockton College Foundation** has been designated by the ShopRite LPGA Classic as one of this year's eight official charities and is providing 78 volunteers for the event, as well as laptops for registration and space for overflow parking. **COACH VAL JULIEN** and **SARA FAUROT CROWLEY** are co-chairing the effort for Stockton. As one of eight official charities an "Official Charity," logo inclusion on the Tournament Sponsor Board, mention in the Tournament program and invitations to and recognition at Media Day.

The **Stockton College Foundation Board of Directors** quarterly meeting was held on May 13, 2010. **PRESIDENT HERMAN J. SAATKAMP, JR.**, gave a College report on the strategic planning process, new campus construction and enrollment. The Foundation voted unanimously to approve a three year contract with RuffaloCODY; who provides phonathon management services which includes: search, inquiry, qualification and a full complement of direct marketing services and tools.

This year RuffaloCODY conducted a four week phonathon in the fall and a six week phonathon in the spring. During the calling sessions 15,921 calls were completed, 1,968 new emails were collected and 1,925 pledges were received totaling \$95,352.

The **Annual Fund** has reached a milestone for the very first time...topping the \$100,000.00 mark. As of May 24<sup>th</sup>, the total amount of cash received was \$109,562. Also, the goal set for the amount of donors to the Annual Fund has been exceeded (goal is 2287 donors and have so far reached 2300). Designations for the Annual Fund money have been defined as: Student Financial Aid, Alumni Programs, Student Life, Program Support and Most Urgent Need. **Chad Adams** completed an Annual Fund mailing in April that consisted of approximately 40,000 letters. For this mailing Chad engaged nine Alumni volunteers to be signers on the appeal letter and specifically asked to support the Annual Fund in honor of their reunion year.

The **Office of Alumni Affairs** hosted a Young Alumni Reception on Monday, May 10<sup>th</sup>, at Italian Gourmet. Nearly 60 alumni attended the networking event, many of whom graduated from Stockton the day before. This bi-annual event provides our newest alumni with the opportunity to begin to develop a professional network and provides the Alumni Office with the opportunity to recruit young, successful alumni for the Alumni Career Network. The Office of Student Development also attended.

The **Office of Alumni Affairs** hosted an alumni reunion. Ninety alumni from the classes of 1982-1986 returned to campus for a reunion celebration on May 21<sup>st</sup> -23<sup>rd</sup>. Activities included a Friday evening cocktail reception, a BBQ and softball game on Saturday, followed by a dinner reception at Lakeside Lodge with entertainment provided by the Faculty Band. Campus tours were given on Saturday and Sunday and alumni were housed in C and D courts on campus.

On May 6<sup>th</sup> **Peg Fiore** and **Augusta Baudy Garrett** attended a webinar entitled "Getting the Best Results from Your Fundraising Communications." On June 2<sup>nd</sup> the **Development Managers** attended the webinar entitled "Utilization of Academic Leadership in Campaigns." **Jessica Kowal** attended the two-day Business Writing Conference on June 8<sup>th</sup> and 9<sup>th</sup>, in Atlantic City.

**L.GAYLE GROSS**, Chair of the **Stockton College Foundation**, **Dawn Kanaan Hans** and **Kathleen Cochran** represented the College and Foundation at the Friends of Encore Learning of Stockton Annual Luncheon where scholarship recipient Chad Juros preformed a magic show.

### **OFFICE OF EXTERNAL AFFAIRS**

**SHARON SCHULMAN**, Special Assistant to the President for External Affairs and Executive Director, William. J.
