COMPUTER SERVICES

Keeping our Classrooms Current

Four new rooms were added to the roster of electronic rooms: F103B, J103, J201, and H102. Workstations were replaced in several electronic classrooms and computer labs – D027, D018, D019, D102, F114, and F222. The plasma television in H116 classroom was replaced with a projector. Projectors and projector mounts were upgraded in the F-Wing Overbuild Classrooms. The modified mounts mitigate the building vibration issues. The Video Distribution Head End has been upgraded including a replacement of all VHS Decks and a complete re-wiring of all modulator and combiner equipment.

Keeping our Web Services Current

Stockton's online resources are critical to our public identity and to the operational needs of our campus community. On the public side, the Noyes Museum website was redesigned and technical consulting and conversion work supported the External Affairs redesign of the Stockton College website. On the campus community side, Luminis, the application platform for the goStockton Portal was upgraded to version 4.2.2. The single sign-on (SSO) capability was expanded to include student payment system allowing students to make their payments through our vendor service with no additional login required. In conjunction with Health Services, technical support was provided to launch PointNClick, the electronic medical records system.

Keeping Our Central Systems Current

As Stockton College's online services and resources continue to expand, the need for data storage expands, as well. This summer the campus SAN (storage area network) was expanded to provide additional storage for Microsoft Exchange (email service), Active Directory Home Volumes and Data shares (storage for individuals, departments, and workgroups), and backups of all of our enterprise servers. Additionally, an analysis of data center power utilization was completed and the automatic temperature shut down controls were upgraded.

Going Green – Saving the Environment and Saving Money

Computer & Telecommunication Services has a long tradition of environmental awareness. Our green efforts are continually evolving. For the 2010-2011 academic year, we are reviving our 2002 "Save the Planet" campaign to raise campus awareness of electronic resources and practices that can save the environment and save money. Our operational practices reflect this philosophy, as well. Academic Computing support servers have been migrated to a Virtual Machine (VM) environment. The use of virtual servers reduces hardware costs, electricity consumption, speeds disaster recovery, and allows for minimal disruption when hardware upgrades are required. Supporting printing in the Library, a pilot program has been established in cooperation with Stewart Business Systems (a subsidiary of Xerox) to fix monthly printing, maintenance, and repair costs for laser printing. Brian Cole and Demetrios Roubos developed an Integrated Management System for workstation inventory, remote desktop management, and call ticket tracking. This system will eliminate the cost of the existing third party call tracking system.

May We Help You?

The goStockton Portal is the central point of contact for the campus community to find information and conduct college business, but if end users have trouble logging in, it is not very useful. To improve the portal experience, the login page has been redesigned and updated with new instructional videos, an integrated browser check, and links to support resources. Leveraging the college's investment in Wimba Classroom, virtual support rooms have been set up. This enables callers to the Help Desk to share their desktop with support specialists to resolve problems more quickly and easily.

DIVISION OF ADMINISTRATION AND FINANCE

ADMINISTRATION AND FINANCE

MATT ALTIER, Vice President of Administration and Finance, for the last few months, has been diligently working with **DR. SAATKAMP** along with various staff and business associates in developing the Seaview project. The project includes the purchase of Seaview resort along with its two golf courses. The success of this project will provide the College with additional housing, conference rooms, expansion of the Hospitality and Tourism program, potential for a Culinary Arts program and Turf Management program and elevate Stockton's position in higher education.

Vice President Altier, attended the Noyes Soiree held on Thursday, July 15th at the Noyes Museum in Oceanville. Numerous faculty, staff and community members were also present; the event included live jazz music performed by members of the Faculty Band. **President Herman J. Saatkamp, Jr.** greeted guests and highlighted the significant capital improvements which were realized through the Stockton partnership. Included on the list of capital improvements for the Noyes Museum is a new HVAC system, exterior lighting, new ADA accessible ramps, a new security and sound system and an outdoor deck complete with solar light caps. Walking tours of the newly renovated facility were given.

Vice President Altier along with **Provost, DR. HARVEY KESSELMAN** attended the conference; **THE CAO AND CFO IN DIFFICULT ECONOMIC TIMES: WORKING TOGETHER EFFECTIVELY** hosted by NACUBO in Washington D.C. on August 9th & 10th. The conference

brought together Chief Financial Officers and Chief Academic Officers for a two-day meeting which explored ways to identify strategic communication, build more effective partnerships, improve goal achievement, and how to meet the tough challenges facing colleges and universities in today's difficult environment.

DONALD E. MOORE attended a public hearing conducted by the New Jersey Pinelands Commission on July 7th regarding Stockton's 2010 Master Plan. He also attended the New Jersey Pinelands Commission CMP Policy & Implementation Committee meeting on Friday, July 30th. **Mr. Moore** along with **President Saatkamp** and **Mr. Altier** attended the full Pinelands Commission meeting on Friday, September 10th for review and approval of Stockton's 2010 Master Plan.

Mr. Moore participated in the full scale emergency exercise on August 10, 2010, in his capacity as Deputy Incident Commander, which involved an active shooter/hostage situation. A debriefing was conducted and positive feedback was received.

Mr. Moore provided a construction update presentation to the Division of Academic Affairs at their Summer Retreat held on August 17, 2010.

Donald will participate in a panel discussion at the ERAPPA 2010 Annual Conference being held in Pittsburgh, Pennsylvania from October 3-6, 2010. Donald will be one of four members focusing on the importance of green education in higher education environments as a way of encouraging more efficient management of the facilities.

CAMPUS POLICE

Deputy Chief **JOE MANGIELLO** and Lt. **CHUCK RICHVALSKY** attended a two day University Of Southern Mississippi Sport Event Risk Management Seminar at Rutgers/New Brunswick with staff from the Athletics Department.

Lt. **Chuck Richvalsky** and Sergeant **CINDY PARKER** attended a two day Proactive Terrorist Recognition and Interdiction Operations and Tactics Seminar at the Canale Training Center in July.

Sergeant **Cindy Parker** attended a Counterfeit Goods Investigation Seminar in Trenton, NJ in July.

Stockton College became the second college in New Jersey to have a New Jersey Presidents' Council Peer Review Team assess security on our campus. Members of the Peer Review Team came from Monmouth and Georgian Court University in August to conduct this review. Members from Stockton College participated in the Peer Review conducted for Monmouth University, also in August.

On August 10, Stockton conducted an emergency exercise in conjunction with Galloway Township Police, EMS, and Emergency Management, Atlantic County Emergency Management, Emergency Response Team and Prosecutor's Office. The full scale exercise simulated an active shooter/hostage barricaded situation in the B Wing area. Thanks to all the help from the Stockton Emergency Operations Team and Community Emergency Response Team (CERT) for making the exercise an excellent training opportunity that will help improve our readiness for any emergency.

Congratulations to the following departmental members who received awards at the police department's awards BBQ; Officer **CHRISTOPHER GRAHAM**, Officer of the Year; Officer **TRACY STUART**, Certificate of Commendation; Sgt. **COLLEEN BRITTON**, Sgt. **Cindy Parker**, Officer **GIO MAIONE**, Officer **ANTHONY LACOVARA**, Officer **Christopher Graham** and Communications Operator **TRUDY STRAUSS**, Unit Citation.

Members of the Police Department presented safety demonstrations to EOF students including DWI and Rape Aggression Defense in July, 2010.

The Police Department hosted its Sixth Annual Golf Outing to benefit Gilda's Club of South Jersey at the Mays Landing Country Club in August. All proceeds were donated to Gilda's, a local cancer support organization in Linwood, NJ. Thanks to Communications Operator **LISA BENEVIDES** for all her hard work in organizing this event.

FACILITIES PLANNING AND CONSTRUCTION

Campus Center

Cast stone of the exterior building and construction of the concrete footings to support the front "porch" is complete; roofing of the entire building is complete and the roof skylights have been installed. HVAC ductwork, rough electric and plumbing are complete throughout the building and permanent electricity has been connected to the facility, as well as the connection of chilled water and geothermal lines. Installation of the Terrazzo floor has begun in the western portion of the building. Additionally, "Pergola" steel along the College Walk side of the building has been installed. Framing walls throughout the building and hanging wall board on the framed walls on the interior is nearing completion and the painting of walls in the lower portion of the building has begun.

Unified Science Center

A three-story, 62,566 gross square foot building will be constructed to provide facilities to support the College's Sciences and Mathematics Programs. The building will include wet and dry laboratories, classrooms and support facilities. This project is currently in the Construction Document Phase and was forwarded to the NJDCA in late summer for plan review and approval. A final review of the architectural drawings by the Chemistry and Biology staff has been completed. A concept design for art inclusion for the new facility has begun. Currently, the architect and site engineer are working on site logistic plans for the staging area for the new construction. A Request for Proposal was advertised in late summer for a Construction Management firm.

Campus-Wide Signage Initiative

A new directional sign was installed at the entrance of Moss Mill Road and Route 575, as well as a new entrance sign at Jimmie Leeds Road. The new entrance sign encompasses the LED technology and display information regarding current and upcoming College functions. Sixteen (16) new campus signs are being fabricated and will replace the existing directional signs which are located throughout the main academic campus. Additional signs are being planned for the athletic fields along Pomona Road which will direct patrons to specific areas on campus. The College is working with a sign contractor to memorialize "The History of the

Negro Baseball League" plaque that once resided at the Sandcastle Baseball Stadium in Atlantic City, New Jersey.

L-Wing Renovation

L-Wing pool will be transformed to house the new 2-story art gallery, faculty offices, tiered classrooms, The William J. Hughes Center for Public Policy and the Affirmative Action and Ethical Standards offices. A construction contract has been awarded and it is anticipated that the contractor will commence construction activities at the pool, Performing Arts Center (PAC) entrance, K-Wing restrooms and the L-Wing exterior plaza in late fall 2010. K-Wing restrooms will be taken off line in early April 2010 and re-opened when the project is scheduled for completion in fall 2011.

C/D-Wing Courtyard Renovation

Renovation of the under-utilized C/D-Wing courtyard will transform this area into additional academic and student life support space. The design portion of the project is complete and will be bid with the L-Wing project. The project is scheduled to commence October 2010 and be built within the same time frame as the L-Wing renovation. In lieu of the previously planned planting beds, Terrazzo floors have been added to the project. The project is scheduled for completion in fall 2011.

PAC Renovation

The Performing Arts Center (PAC) will receive a new main entrance along with a new Box Office and additional public restroom capacity. A construction contract has been awarded and it is anticipated that the contractor will commence construction activities at the Performing Arts Center (PAC) entrance in late fall 2010.

Signalized Intersection (Traffic Light)

Louisville Avenue paving, striping and signage was completed, as well as road widening, sewer main relocation, traffic signage and roadway striping at Louisville Avenue/Vera King Farris Drive. Utility service providers, including Atlantic City Electric, Verizon and Comcast relocated their wires and cables to the new utility poles along Jimmie Leeds Road and Duerer Street and the old utility poles were removed following the utility transfers. New roadway lighting has been installed on all the new utility poles along Jimmie Leeds Road and Duerer Street. Final site improvements, including landscaping and grading are ongoing.

50 West Jimmie Leeds

Property which is located on Jimmie Leeds Road will be developed into a 25,000 square foot building to house the College's SRI/ETTC and SPAD program. Currently, The Richard Stockton College of New Jersey's non-profit affiliate, Stockton Affiliated Services, Inc. is requesting proposals for a Design/Build contract to provide "turnkey" services.

Each short-listed firm made a 90-minute presentation to the College administrators in June regarding their ideas for the proposed building. Preliminary programming and schematic

design phases are complete. The Contract agreement between the College and the Design/Build team has been issued. The Notice to proceed will follow shortly.

This project is anticipated to be completed and ready for occupancy in late 2011.

College Walk Reconstruction

This project is in the Design Phase and will be constructed in two (2) phases. The first phase of construction entails the transformation of College Walk adjacent to the Campus Center and construction of the plaza at the Grand Hall entrance. The plaza design includes a fountain with a sculpture including a reference to Richard Stockton's signing of the Declaration of Independence. The second phase of the project will construct the remainder of College Walk and the plazas at B, F, J, K and N-Wings. It is anticipated that construction will commence in January 2011 for a scheduled completion in summer 2011.

Field #4 Surface Parking

The soccer field had the top layer of pervious soil removed and replaced with a more substantial material capable of supporting vehicular weight. A plastic hybrid geo-tech mat was installed as the primary weight bearing material. The geo-tech mat allows grass to grow in and around the installation, thus leaving the appearance of a grassy field. Individual parking stalls were designated with concrete bumpers. The project is now complete and overflow parking for 205 vehicles is available.

Regional Wayfinding Signage

The existing Stockton College regional signage is outdated, worn, incorrectly scaled and deficient in placement. This project will permit the opportunity to update the guidance signs to meet New Jersey Department of Transportation Road Signage Regulations, update the correct name of the College and address placement of the signs providing accurate direction to our campus.

A regional survey of signs has been completed and the College is currently reviewing the study. Upon the completion of the study review, the College will make a determination on how best to proceed.

Housing II/III Paving

The project included bringing the Housing II & Housing III courtyards fire lanes into compliance, as per the Fire Marshal. The general appearance of the courtyards were improved by removing the existing dumpsters, provide concrete repairs and landscaping. Additionally, the existing dirt lane used for removing trash was paved, new dumpster pads and access walks were provided, as well as a trash truck turn-around.

This project was completed in August.

Louisville Road Improvements

This project was part of the Jimmie Leeds Road/Vera King Farris Drive Intersection Project. Louisville Road is a one-half mile existing dirt road connecting Vera King Farris Drive to Parking Lot #7. The improvements included grading, storm water management, paving, striping and the required traffic signage. These improvements enhanced the safety of intra-campus motorists and pedestrians while also relieving congestion at the main academic campus parking lots. This project was completed in August.

OFFICE OF PLANT MANAGEMENT AND HOUSING MAINTENANCE

The Department of Plant Management and Housing Maintenance continues to support daily maintenance operations, supports numerous events including student, athletic and community based programs, initiates and manages campus-wide renewal and renovation projects and schedules and maintains regulatory compliance for the College.

AWARDS

Plant Management received recognition from of the 82nd Annual Governor's Safety and Health Awards Program "For Outstanding Performance During the Year 2009". Plant Staff were responsible for a decrease in accidents/injuries of 65% in 2009.

CAMPUS MAINTENANCE & IN-HOUSE PROJECTS

Electronic Classroom Upgrade

Five (5) classrooms, F103b, H102, H116, J103, and J201, were converted to electronic classrooms. Improvements include the installation of an electronic podium, sound system, overhead projector and drop-down screen.

A&S Roof Coping Installation

Custom metal coping was installed on the exterior of the Arts & Science building to eliminate interior rainwater infiltration at the stairs towers on either side of the courtyard.

HOUSING MAINTENANCE & IN-HOUSE PROJECTS

Housing Maintenance

Throughout the summer, Plant Management staff have refurbished and refreshed the Housing complexes in anticipation of incoming residents. Improvements include the installation of over 1,400 square yards of carpeting and the application of 805 gallons of paint.

Housing II/III Fire Lane Improvements

The width of the Housing II/III fire lane was expanded to allow increased emergency accessibility and improved circulation. In addition, the courtyard landscaping was upgraded to accommodate the improvements.

GREEN INITIATIVES

Trash Handling Initiative

In an effort to improve efficiency and safety, and eliminate the unsightly display of trash enclosures in the Housing II/III Courtyard, the existing trash truck has been retrofitted to accommodate both trash and recycle containers.

I-Wing & J-Wing Gallery Lighting Upgrade

Energy efficient lighting and new air diffusers were installed in I-Wing and J-Wing galleries, replacing previously existing fixtures.

DIVISION OF STUDENT AFFAIRS

ATHLETICS & RECREATION

The Office of Athletics & Recreation administered the following sports camps during Summer 2010:

- Boys High School Basketball Team Camp: June 7-10
- Worldwide Basketball Academy presents Nothing But Net Boys Basketball Camp: June 28-July 1. The camp featured appearances by NBA players Richard Hamilton (Detroit Pistons), Jason Thompson (Sacramento Kings), Andre Iguodala (Philadelphia 76ers), Tyreke Evans (Sacramento Kings), Jonny Flynn (Minnesota Timberwolves) and J.R. Smith (Denver Nuggets).
- Stockton Volleyball Camp: July 26-30
- Nothing But Net Girls Basketball Camp: July 26-30
- Stockton Soccer Academy: August 2-6

The Stockton track & field program hosted three community track meets for participants of all ages. The meets were held on July 8, 15 and 22 and organized by **BILL PRESTON**, Coordinator of Cross Country and Track & Field/Head Men's Track and Cross Country Coach and **TODD CURLL**, Head Women's Track & Field Coach. The meets averaged approximately 300 participants, 250 spectators and 40 volunteer officials.

The Stockton softball team, led by head coach **VAL JULIEN**, volunteered at South Jersey Field of Dreams in Absecon, NJ on June 13. The Stockton players and coaches put on a softball demonstration and played baseball with physically and mentally challenged children at the specially-designed facility.

The Stockton women's soccer team, coached by **NICK JUENGERT**, went on a trip to Costa Rica in July. The Ospreys won three of their four games, losing only to the Costa Rica national team. In addition to the four games, the squad performed community service at an orphanage, went sightseeing and experienced the local culture.

JESSICA SPENCER, Athletic Trainer, attended the Sports Risk Management Seminar at Rutgers University on June 8-9.

G. Larry James Stadium hosted a USA Track & Field regional meet on July 8-11 that included over 700 competitors and approximately 1,000 spectators from New York, New Jersey and Pennsylvania.

Stockton track & field team members volunteered at a community track meet in Pleasantville during the first week of August.

CAREER CENTER

PATRICIA DONAHUE, Coordinator of Special Programs & Initiatives, and **WALTER L. TARVER, III**, Director of the Career Center, facilitated a business etiquette dinner for the 2010 Educational Opportunity Fund (EOF) Summer Program on July 8. The dinner, held in N-Wing, provided the participants with valuable tips on how to interview and conduct business during a formal dinner.

COLLEGE CENTER

JENNIFER FORMAN, Associate Director of the College Center, coordinated the Student Affairs portion of New Student Orientation, July 12-29, 2010. **Ms. Forman** trained and supervised 22 student Orientation Leaders and a Graduate Intern, Lauren Schroeder from the University of Wisconsin LaCrosse, sponsored by the National Orientation Directors Association. This is the fifth consecutive year Stockton has hosted an Orientation intern.

Jennifer Forman coordinated Osprey Welcome Week 2010 in collaboration with several student services departments. Highlights included a keynote presentation by Troy Stende and Brent Scarpo's "Last Call" alcohol education program, numerous SET events, the Theater Club Improv Night and the First Year Experience (FYE) sponsored Common Reading Discussion.

Thirty-six Upper Class Students (T.A.L.O.N.S.) returned to campus, August 25, 2010 for a three-day training program in preparation to be mentors for the Stockton Orientation Adventure Retreat (S.O.A.R.) and Osprey Welcome Week. Their responsibilities include helping incoming Freshmen and Transfer student have a successful transition into Stockton life. This year the T.A.L.O.N.S. will be participating in a joint training with the Student Senate, Class Council, The Stockton Entertainment Team, and the Residential Assistants to show collaboration working with our incoming new students and for the entire year.

Two hundred and ten freshmen registered for S.O.A.R. at camp Matollionequay in Medford, NJ. Highlights of this year's S.O.A.R. program include the famous Stockton Faculty Band performance, Leadership Workshops, Low and High Ropes Challenge Courses, Archery, Boating, and other Team Building Events. This year, faculty and staff participation and volunteers included representatives from Admissions, Student Rights and Responsibilities, Campus Police, College Center, Student Development, Health Sciences, Natural Science and Mathematics, Arts and Humanities, and the Education Department.

JOSEPH LIZZA, Assistant Director of the College Center, had his article *How NACA Conference Participation and Volunteerism Can Aid Personal, Professional Growth and Success* published in the August Campus Activities Programming, Back to School Issue, distributed to college and universities around the country.

HILLARY MAUGER has joined the Office of the College Center as the Graduate Student Manager. Ms. Mauger is a current student in the Physical Therapy doctoral program and is expected to graduate in Spring 2012

FREE TO BE CHILD CARE

ELYSE SMITH, Director/Head Teacher of Free To Be Child Care Center, attended the Music Together training in Hopewell, NJ August 5, 6 and 7, 2010. The Music Together program was brought to Free To Be by parent volunteers for the past few years. This program promotes the concept that all children can learn to sign in tune and keep a beat if they are provided the right early learning experiences. Ms. Smith is now qualified to teach Music Together in a licensed program.

Parent coordinator, **AMY COOPER**, and several parent volunteers arranged the August carnival. Children enjoyed tossing water balloons, spin art, bowling, fishing, and more.

Free To Be Staff Orientation was held September 10, 2010. In addition to reviewing the child care licensing requirements, the staff received curriculum related training.

New Parent Orientation was held September 13, 2010 to help parents understand the curriculum and encourage them to get involved in the school by choosing a co-op job.

STUDENT DEVELOPMENT

Assistant Director **HARRY MAURICE**, along with the Department of Student Development, welcomed back the Student Senate Tuesday, August 24, 2010 for a three-day training program. Their training program concluded with a barbeque at the home of **President and Mrs. Herman J. Saatkamp, Jr.**

LEN FARBER, Director, **Jennifer Forman**, Associate Director, College Center; **CHRISIE KING**, Assistant Director, Residential Life; and **ROSARITA VIÑAS**, Complex Director, Residential Life planned a joint leadership training program for members of the Residential Life staff, Class Council, Stockton Entertainment Team (SET), Student Senate and T.A.L.O.N.S. (The Activity Leaders of New Students). This joint leadership session helped to kick-off the 2010/2011 academic year. The student leaders received institutional updates by the Dean of Student and other members of Student Affairs. The program took place Friday, August 27 and approximately 140 student leaders attended.

DIANNE STALLING, Assistant Director, coordinated the 6th Annual Day of Service held Friday, September 3 in the I- Wing Gymnasium. Stockton partnered with twenty local non-profit organizations and service agencies for a memorable and meaningful experience. **President Herman J. Saatkamp Jr.** gave the opening remarks.

EVENT SERVICES

MARY KATE MCKENNA, Coordinator of Event Services, attended the 2010 CollegeNET User Conference July 26-28 in Portland, Oregon. The conference served as a forum for sharing experiences with other users as well as providing insight on advancements related to the use of the Series 25 software applications (R25, Schedule 25 and X25).

LAURIE GRISCOM, Director of Events Services, conducted an R25 event management system "New Users Training" session August 12 with staff from the Office of Athletics and Recreation.

VETERAN AFFAIRS

Veterans Service Members Certification was held at Richard Stockton College this past June. In conjunction with Operation College Promise, 55 veteran service providers from as far away as North Carolina received certification. The Certification Program was the first of its kind in the country. Thomas O'Donnell, Pedro Santana, and Patrick Shields were among those certified from Stockton. The keynote address was given by Major General Maria Falca-Dodson

Richard Stockton College has been selected by G.I. Jobs magazine as a Military Friendly School for 2011. This honor places Stockton College in the top 15% of all schools nationwide. The magazine state "Your steadfast commitment to educating our great nation's military veterans will enable the United States to prosper for generations to come."

WELLNESS CENTER

Alcohol Awareness Week was held September 6-10. Activities included new ideas such as an alcohol and drug game unique to Stockton students.

The Wellness Center formed a Green Dot Committee to begin implementing the Green Dot Violence Prevention Strategy across Campus. The full committee is chaired by **Elana Dobrowolski**, Assistant Director of Counseling Services, and has been broken down into the sub-committees of Education/Prevention; Relationship Building; Prompted Response; Evaluation; and Public Relations.

ELANA DOBROWOLSKI and **PATRICK CONNELLY**, Assistant Directors of Counseling Services, presented a Sexual Assault & Domestic Violence Workshop to Resident Advisors during August RA training.

Elana Dobrowolski co-facilitated the Sexual Assault portion of The Behind Closed Doors training during August RA training.

VICE PRESIDENT FOR STUDENT AFFAIRS

DR. THOMASA GONZALEZ, Vice President for Student Affairs, was a presenter at the 2010 Higher Education Resource Services (HERS) Bryn Mawr Summer Institute in June. Dr. Gonzalez served on an alumnae panel entitled, "Making the Most of Your HERS Institute Experience," with three other panelists from institutions of higher education. Dr. Gonzalez co-presented a change case study on Supporting First Generation College Students. The presentations included formal question and answer periods and followed by informal discussions.

Associate Vice President for Student Affairs, **DR. DEE MCNEELY-GREENE**, who serves as Stockton's representative on the Atlantic Country Healthy Lung Coalition, evaluated the outcomes of this year's professional development workshop on June 30. **Dr. McNeely-Greene** was the chair of the Professional Development Committee that implemented the workshop titled, "Think You Know About Sexually Transmitted Cancer? Not So Much".

Dr. Dee McNeely-Greene completed the CERT Train the Trainer Program on June 16-17. The purpose of the training is to provide knowledge of and access to all of the resources necessary to establish new community CERT Teams.

Dr. Dee McNeely-Greene attended the Academic Impressions conference, "Planning for a One-Step Enrollment Services Model", in San Francisco, CA July 26-28.

The Office of the Vice President for Student Affairs conducted four days of workshops for all levels of staff of the Division of Student Affairs. The workshops, led by **Gene Swilkey**, Training Manager & Safety Administration, focused on improving communications within the division as well as training in the use of SMART goal setting skills. As a community service component of the workshop, the staff of the division made a monetary donation to the Covenant House of Atlantic City.

Continuation Application Year 2/3
- PROJECT ABSTRACT -

The Richard Stockton College of New Jersey, in partnership with Atlantic City School District, has developed a comprehensive professional development project that addresses the needs of both special education teachers and general classroom teachers in this high-needs preK-12 district that educates over 7,000 students. A needs assessment carried out by the partner district in preparation for this application mirrors the Federal research on which The No Child Left Behind Act of 2001 is based: **All teachers** must be "highly qualified" to help students achieve.

This project seeks to "enhance traditional teacher training" and customize professional development to meet the needs of both the students and their teachers through a three-tiered approach that includes college coursework, onsite professional development activities, and in-class coach mentoring in order to assist participating teachers to attain highly-qualified teacher status in mathematics and language arts and align district curricula to targeted 2009 Core Curriculum Content Standards that include integration of 21st century skills, technology and global perspectives.

Through a highly collaborative model, faculty from the college's School of Education and staff from the Southern Regional Institute and ETTC (SRI&ETTC) will provide a cohort of special education teachers with a greater knowledge and understanding of mathematics content and pedagogy which are vital to student achievement in the New Jersey Core Curriculum Content Standards. A second cohort of general classroom teachers will be led through similar activities in the area of language arts. Both cohorts will be fully immersed in the targeted content areas and will be introduced to the related technology tools needed to integrate 21st century skills and global perspectives into their classrooms.

The project will provide sustained, high quality school-based activities over three years that will lead to the attainment of highly qualified teacher status in the content areas of mathematics and language arts for teachers currently holding special education certification or general education certification. Teachers will have training and access to both the hardware and software that is part of the toolkit for 21st century classrooms and the many learning styles of their students will be addressed through the implementation of the principles of Universal Design for Learning (UDL). District teachers and administrators will regularly collaborate among themselves and with college personnel and staff from the Southern Regional ETTC through face-to-face team meetings, and within a virtual community created for this project.
