Sgt. **Cindy Parker** and **CHRIS GRAHAM**, along with Officer **Nick Rettino** attended a 3 day Interview and Interrogation Course in October hosted by the Stockton Center for Public Safety and Security.

The Police Department wishes Officer **Ken Larsen** best of luck as he has moved on to a municipal police department after 5 years of service at the college.

The Police Department also welcomes back Officer **THOMAS CONEY** from his one year deployment with Army Reserves in Afghanistan. It's great to have him back.

The Police Department wishes to acknowledge the great work of many during the Hurricane Sandy storm. Special thanks to the 70 students who were sheltered at the Campus Center during the event; they were truly a great group to work with and helped out in every way possible. Also,

Residence Life staff, Plant staff, Chartwells and all the others who had prepared for the storm deserve a real thanks. Stockton College was as prepared as anyone for the storm and that is thanks to all the previous planning efforts the college's Emergency Operations Team has done. Additional thanks to the Dolce's Seaview staff who went way out of their way to ensure the college had additional sheltering if needed. Again, thanks to all for making a tragic event much less tragic for many.

OFFICE OF FACILITIES PLANNING AND PLANT OPERATIONS

Unified Science Center

To support the College's Sciences and Mathematics Programs, a three-story, 66,350 gross square foot building is being constructed. This building will include wet and dry laboratories, classrooms and support facilities. It is anticipated that the project will be complete during the 2nd Quarter of 2013.

Hammonton Adaptive Reuse (SASI Project)

This project consists of the renovation of a three-story, 15,000 square foot former factory in downtown Hammonton, New Jersey. It will provide academic, retail and art gallery spaces for use by Stockton and the local community. The project is currently under construction with a forecasted completion of early December 2012.

Azeez Museum

The College is in possession of the Azeez Facility and is presently collaborating with the donor towards an academic addition for this space. Construction is underway to develop a two-classroom facility for occupancy in January 2013.

Pomona Community of Learning

The project is currently being programmed by the Richard Stockton College of New Jersey Building Committee. Once this phase is complete, the Committee will review its findings with the President for approval to proceed. The location of the facility will be adjacent to the outdoor athletic fields along Pomona Road. .

OFFICE OF PLANT MANAGEMENT AND HOUSING MAINTENANCE

The Department of Plant Management and Housing Maintenance continues to support daily maintenance operations, supports numerous events including student, athletic and community based programs, initiates and manages campus-wide renewal and renovation projects and schedules and maintains regulatory compliance for the College.

Campus Maintenance & In-House Projects

- Upper N-Wing Renovation
The Administration & Finance area in upper N-Wing was reconfigured to provide efficient usage of space, while providing an additional office area for the staff.
- EE-Wing Lactation Rooms
Areas have been established on the Main Campus on both EE-100 and EE-200 levels for the formation of Mother's Rooms in order to provide accommodations for nursing mothers on Campus.

- PAC Green Room Renovation

Upgrades were made to the Performing Arts Center Green Room. These renovations consisted of improvements to plumbing, storage, carpeting, painting and the installation of furniture.

Housing Maintenance & In-House Projects

- TRLC Electric Stove Installation

The commercial grade gas stove was removed from the TRLC kitchen and was replaced with an electric stove at the request of residents. The new unit is equipped with safety interlocks to ensure security and safety to operators.

- Housing IV Laundry Expansion

In response to a request from the Student Senate, Plant Management installed the infrastructure to support the installation of additional units in the Housing IV Laundry facility.

Green Initiatives

- Housing IV HVAC Controls

In conjunction with the replacement of the previous units, the Housing IV Complex HVAC systems are now equipped with remote accessibility. The Office of Plant Management is now able to better manage energy performance to all housing units on the northern region of campus, completing the remote accessibility initiative.

OFFICE OF DEVELOPMENT AND ALUMNI RELATIONS

The **Office of Development and Alumni Affairs** held the **Annual Stockton College Golf Classic**, hosted by the **Stockton College Foundation** on Thursday, September 27, 2012 at Stockton Seaview Hotel & Golf Club. The golf outing was a success, raising net proceeds of \$71,000 for Stockton students. Jack and Bethanie Gorny served as Chairs for the event. MCFA, Infrastructure & Energy was the Presenting Sponsor. Pennoni Associates Inc. was the Tournament Sponsor. LPGA Professional Laura Diaz, along with her coach and father, PGA Professional Ron Philo, Sr. participated in the tournament and ran a golf clinic prior to the Golf Classic.

The **Office of Development and Alumni Affairs** is planning the **33rd Annual Stockton College Scholarship Benefit Gala**, hosted by the **Stockton College Foundation**. The benefit will be held on Saturday, April 27, 2013 at Revel in Atlantic City. The Honorable John Schultz and Gary Hill will serve as this year's Gala Co-Chairs.

The **Annual Fund** program is currently in full swing. As a result of Hurricane Sandy, we have adjusted the fundraising strategy to be sensitive to the needs of our constituents. The Stockton Phonathon Program began on November 4th. The first two weeks of calling focused on the 5,393 records outside of the NJ/NY/DE area for fundraising calls. Beginning on November, 18th we will be conducting rapport building calls to donors in the NJ area.

In addition to the Stockton Phonathon program, an end of year direct mail piece will be mailed during the first week of December. We will be excluding the constituents who were affected the most by Hurricane Sandy in the fall and will be mailing them this piece in the Spring semester.

Homecoming 2012 was Stockton's biggest yet. More than 200 alumni returned for the Homecoming Carnival, the Alumni Association swore in a new slate of officers, and eight alumni were honored during the Professional Achievement Award Ceremony. The Alumni honored during the Fourth Annual Professional Achievement Award Ceremony were: School of Arts and Humanities, Lew Steiner '75, Publisher and Founder, AC Weekly, School of Education, Mark C. MEMORANDUM

DATE: September 28, 2012

FROM: Heather McGovern
Chair, Research and Professional Development Committee
Associate Professor of Writing
School of General Studies

TO: Harvey Kesselman
Provost and Executive Vice President
Office of the Provost

Dear Provost Kesselman:

The R&PD committee met on September 27, 2012 to evaluate applications for sabbatical for Spring 2013. Eleven members participated in the discussion. Despite the small number of proposals, committee members discussed the strengths and weaknesses of each and carefully considered whether each was worthy of support. We even ranked and voted as we usually do to make sure that if a proposal received a low mean score from committee members we would know that we could not recommend it, despite a lack of competition. We received proposals from 2 faculty members requesting 2 semesters. The committee recommends 2 semesters for the faculty members listed here.

The committee regrets that we did not receive more proposals for this round, but we note that faculty had little time to prepare proposals for significant projects. More importantly, perhaps, they have little time to complete background work in order to best use time in Spring 2013. Another mitigating factor may be the challenging position in which applicants would be placed vis-à-vis other faculty and programs face with such last-minute sabbatical plans.

Based on our discussions, the committee **recommends** the following:

- Christine Tartaro, SOBL, "Evaluation of video visitation in jails," Spring 2013
- Evonne Kruger, BUSN, "Planning for faculty engagement and the transition of older baby boomer faculty at Richard Stockton College: A white paper," Spring 2013

RESOLUTION

INCREASE IN BID-WAIVERED CONTRACTS

- WHEREAS,** P.L. 1986, C.42 and C.43 (The State College Autonomy Law and the State College Contracts Law) authorize college Boards of Trustees to take necessary actions for effective fiscal and operational management of the state colleges; and
- WHEREAS,** the Board of Higher Education approved on November 21, 1986, Purchasing Policies and Procedures, as enacted by the Stockton Board of Trustees on October 15, 1986, to implement the above statutes; and
- WHEREAS,** these Policies and Procedures specify that public bidding procedures may be waived for certain goods and services as specified in the State College Contracts Law; and
- WHEREAS,** the Board of Trustees of The Richard Stockton College of New Jersey has previously approved a waiver of public bidding for each of the below named vendors; and
- WHEREAS,** the contract with each of the below named vendors must be increased to accomplish the purposes of the bid waiver as specified below; and
- WHEREAS,** the increase in each of the contracts with the below named vendors requires the approval of the Board of Trustees, now, therefore be it
- RESOLVED,** that the Board of Trustees of The Richard Stockton College of New Jersey authorizes the President or the President's designee to enter into contracts with the vendors indicated on the attached list, under the bid waiver provisions of the State College Contracts Law.

FY13 BID WAIVER

WHEREAS, N.J.S.A. 18A:64-56 (The State College Contracts Law) authorizes college Boards of Trustees to approve waivers of the public bid process for procurement of specified goods and services in furtherance of the missions of the state colleges, and

WHEREAS, the Board of Trustees finds the following purchases, contracts and agreements have met the criteria for award without public bid under the provisions of N.J.S.A. 18A:64-56, therefore, be it

RESOLVED that the Board of Trustees of The Richard Stockton College of New Jersey authorizes the President or the President's designee to enter into contracts with the vendors indicated on the attached list, under the bid waiver provisions of the State College Contracts Law.

Vendor & Categories

FY and Amount

Products and Services

Lawrence P. Kirkland dba Larry Kirkland Studio (513029) \$200,000

This bid waiver is for Arts Inclusion for the Unified Science Center. This is a sole source provider and it is a specialty item. (Reference: N.J.S.A.18A:64-56 (a) [02])

Specialized Machinery or Equipment

Aggreko (513027) \$34,105

This bid waiver is for the rental of a generator. At the time of the power failure, this supplier was the only supplier capable of providing a properly sized unit for Stockton's use. This was due to the aftermath of the July Super Derecho. This bid waiver was not presented at the September meeting because it was not determined at that time whether we would repair or replace the old generator. It has been decided that replacement is a better option but we will need to rent the unit until the replacement arrives.(Reference: N.J.S.A.18A:64-56 (a) [10])

Dawnex Industries Inc. dba RedyRef Interactive Kiosk Products (513028) \$40,000

This bid waiver is for the purchase of 3 new electronic directories and wayfinding devices for the Science Center. This product has already been implemented in the Campus Center and the Sports Center. While alternative devices are available, we remain satisfied with our selection of this particular device and believe that this vendor's product has the added benefit of providing consistency, which is important in wayfinding. Further, if we were to select another vendor's product, we would incur the added operational burden of supporting and maintaining directory and wayfinding data for an additional product. Also included in the bid waiver is the maintenance costs of the equipment and software that is currently in place. (Reference: N.J.S.A.18A:64-56 (a) [10])

**TUITION RATES AND CLINIC FEES FOR PRIVATE APPLIED MUSIC LESSONS IN THE
SCHOOL OF ARTS AND HUMANITIES**

WHEREAS, the College's School of Arts and Humanities has developed a program of private applied music lessons that are required for music majors and will be available to other students; and

WHEREAS, these lessons will primarily be taught by music teachers from the surrounding community who are not currently under contract with the College, with general oversight being provided by regular faculty of the College; and

WHEREAS, these lessons will be one lesson every other week for forty-five minutes, for a total of eight lessons per semester; and

WHEREAS, each semester of lessons will be a separate one-credit course; and

WHEREAS, these lessons will entail additional expenses for the College that should largely be borne by the students taking them; therefore be it

RESOLVED, that the Board of Trustees approves a clinic fee of \$400 to be charged per semester for each student taking private applied music lessons; and be it further

RESOLVED, that the following provisions be applied to tuition and academic fee charges for one-credit private applied music lessons:

All students will pay the \$400 clinic fee in addition to their regular tuition and fees

1. Full time students will pay the regular tuition and fee charges plus the clinic fee.
2. Part-time students on campus will pay the regular tuition and fee charges for one credit plus the clinic fee.
3. Part-time students taking private applied music lessons off-campus will pay an all-inclusive tuition rate of \$100.00 plus the clinic fee.

PRIVATE APPLIED MUSIC GUIDELINES

Private Applied Music is a 1-credit course that all students can take each term (required for music majors) while they are at Stockton. The course is repeatable up to a maximum of eight credits towards degree requirements (three credits within any calendar year). The course will be taught primarily by non-Stockton faculty under the following guidelines:

1. The coordinator of each concentration (Classical Music Studies, Jazz Studies, and Vocal Music Studies) will oversee the logistics for each student. He or she will provide the student with a list of qualified instrumental or vocal music instructors from which the student may choose according to his or her individual abilities. The coordinator may ask the student to audition for placement purposes only.
2. There will be a clinic fee charged to the student of \$400 per 1-credit course. This will be paid to Stockton at the beginning of each semester, in addition to any other tuition and fee charges. The clinic fee compensates the instructor for 8 lessons. The instructor will be paid by Stockton.
3. For any student not on flat-rate tuition there will also be a \$100 per one credit all-inclusive tuition charge. Part-time students whose instruction occurs on campus will pay the usual per-credit tuition and fees for one credit. Full-time students will not pay this charge whether they receive instruction on or off campus, unless they have reached the maximum number of credits allowed per term.
4. There will be one 45-minute lesson every other week for a total of 8 lessons during the term.
5. The student must take a minimum of 8 lessons to earn credit for the course. If a lesson is missed for any reason, the student must arrange a make-up lesson with the instructor.
6. The course will be offered at the 1000 level and will be given POI (permission of instructor). The student will obtain the POI from the appropriate coordinator and may be asked to perform a brief audition, as provided above.
7. At the end of the semester students will perform one or two pieces in a collective, public performance on the Stockton College campus. The Music faculty will determine the student's final grade based on the student's progress toward achieving specific goals as outlined on the course syllabus, and on the instructor's written evaluation.
